No Butte County Office of Education funds, services, supplies, or equipment shall be used to urge the support or defeat regarding ballot measures, candidates, legislative activities, or any other campaign activities.

A mass mailing is prohibited if all of the following criteria are met:

MEDIA RELATIONS
It is the intent of the County Superintendent to keep the public well informed on all matters related to the education of the students within Butte County. For that reason, the County Superintendent strongly encourages the use of the news media for informing the community about schools and their issues, such as costs, curriculum changes, programs and services, special events and other items, or general public interest.

The County Superintendent shall serve as the chief spokesperson for the Butte County Office of Education. The Assistant Superintendents and Administrators will be available for interview by representatives of the news media and shall promote and enhance good relationships with media executives, editors, and reporters as appropriate. The County Superintendent directs that all responses to media inquiries and items for public release concerning the Butte County Office of Education be coordinated through an Assistant Superintendent.

All media inquiries concerning local school districts shall be referred to the County Superintendent or the appropriate district superintendent’s office.

Butte County Office of Education staff may develop printed material for distribution within the county and for distribution at-large. All publications must be approved by the superintendent or designee and must comply with Butte County Office of Education publications and guidelines.

Television and radio are powerful communicators and need proper handling so viewers and listeners understand the message correctly. After approval by an Assistant Superintendent, the County Superintendent must give final approval for release. Should a crisis occur, the County Superintendent should be notified immediately for preparation of a press statement or interview.

Identification, Analysis, and Leadership

The Butte County Office of Education seeks to keep abreast of community concerns, identify emerging issues of importance, and provide factual analysis and information.

The County Superintendent encourages decision makers to seek counsel with respect to issues and to make decisions based upon established policy, sound reason, and the common public good. Prior to taking action on such sensitive matters, decision makers are advised to carefully consider differing points of view and the needs, rights, and interests of all concerned. Decision makers are encouraged to discuss decisions and strategies with the appropriate unit supervisors.

Interviewing and Photographing Students

The Butte County Office of Education shall not impose restraints on students’ right to speak freely with media representatives at those times, which do not disrupt students’ educational program. However, interviews of students may create substantial disorder or impinge on the rights of others. Therefore, in order to minimize
possible disruption, media representatives who wish to interview students at school are strongly encouraged to make prior arrangements with the principal. At their discretion, parents/guardians may instruct their children not to communicate with media representatives.

In order to protect the privacy of students, a media representative who wishes to photograph students on school grounds should first make arrangements with the Principal or designee.

The County Superintendent or designee shall develop and implement a plan for recruiting, screening, and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors to students and/or make appropriate referrals to community organizations.

The County Superintendent prohibits harassment of any volunteer on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

As appropriate, the County Superintendent or designee shall provide volunteers with information about school goals, programs, and practices and an orientation or other training related to their specific responsibilities. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that utilize their skills and expertise and maximize their contribution to the educational program.

Volunteer work shall be limited to those projects that do not replace the normal duties of classified staff. The County Superintendent nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school and comply with employee negotiated agreements.

The County Superintendent or designee shall establish procedures for determining whether volunteers possess the qualifications, if any, required by law and administrative regulation for the types of duties they will perform.

Volunteers shall act in accordance with policies, regulations, and school rules. The County Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

The County Superintendent encourages Principals to develop a means for recognizing the contributions of each school's volunteers.

VOLUNTEER ASSISTANCE

**Duties of Volunteers**
The County Superintendent or designee may assign volunteers to:

1. Assist certificated personnel in the performance of their duties, including in the supervision of students and in the performance of instructional tasks which, in the judgment of the certificated personnel to which the volunteer is assigned, may be performed by a person not licensed as a classroom teacher.
2. Serve as non-teaching aides under the immediate supervision and direction of certificated personnel to perform non-instructional work which assists certificated personnel in the performance of teaching and administrative responsibilities.
3. Supervise students during lunch, breakfast, or other nutritional periods.
5. Perform other duties in support of county or school operations as approved by the County Superintendent or designee.

Volunteers shall not be authorized to assign grades to students, and shall not be used to assist certificated staff in performing teaching or administrative responsibilities in place of regularly authorized classified employees who have been laid off.

**Basic Skills Proficiency Requirement**
Volunteers who supervise or provide instruction to students shall submit evidence of basic skills proficiency to the County Superintendent or designee.

**Criminal Background Check**
Prior to assuming a volunteer position working with students in a Butte County Office of Education sponsored student activity program, a volunteer shall obtain fingerprint clearance through the Department of Justice and Federal Bureau of Investigation. At his/her discretion, the volunteer may choose to meet this requirement by obtaining an Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing. Student activity programs include, but are not limited to, scholastic programs, interscholastic programs, and extracurricular activities sponsored by Butte County Office of Education or a school booster club, such as cheer team, drill team, dance team, and marching band.

The County Superintendent or designee shall determine which volunteer positions are subject to the above requirement.

The criminal background check requirement shall not apply to volunteer supervisors for breakfast, lunch, or other nutritional periods or to volunteer non-teaching aides under the immediate supervision and direction of certificated personnel, including parents/guardians volunteering in a classroom or on a field trip or community members providing non-instructional services.

**Registered Sex Offenders**
The County Superintendent or designee may require all volunteers to disclose whether they are a registered sex offender and/or to provide Butte County Office of Education with sufficient information in order to allow verification of this status on the Department of Justice's Megan's Law website.
The Principal may grant a registered sex offender, who is not the parent/guardian of a student at the school, permission to come into a school building or upon school grounds to volunteer at the school. At least 14 days prior to the first date for which permission has been granted, the Principal or designee shall notify the parent/guardian of each student at the school, using one of the methods specified in Education Code § 48981, that a person who is required to register as a sex offender pursuant to Penal Code § 290 has been granted permission to come into a school building or upon school grounds, the date(s) and times for which permission has been granted, and the parent/guardian's right to obtain information regarding the person from a designated law enforcement agency.

However, no person who is required to register as a sex offender pursuant to Penal Code § 290 shall be assigned as a volunteer to assist certificated personnel in the performance of their duties; supervise students during lunch, breakfast, or other nutritional period; or serve as a non-teaching aide to perform non-instructional tasks. In addition, a person who is required to register as a sex offender because of a conviction for a crime where the victim was a minor under age 16 shall not serve as a volunteer in any capacity in which he/she would be working directly and in an unaccompanied setting with minors on more than an incidental and occasional basis or have supervision or disciplinary power over minors.

**Tuberculosis Assessment/Examination**

Upon initial volunteer assignment, a volunteer shall have on file with the school a certificate showing that he/she has submitted to a tuberculosis risk assessment and, if tuberculosis risk factors were identified, was examined and found to be free of infectious tuberculosis.

The County Superintendent or designee may exempt from the tuberculosis risk assessment and/or examination those volunteers whose functions do not require frequent or prolonged contact with students.

**Volunteer Facilities Projects**

All volunteer facilities projects shall have approximate start and completion dates and shall be approved by the Principal in advance. Projects also shall be approved in advance by the County Superintendent or designee if they involve the following types of work:

1. Alterations, additions, or repairs to buildings and grounds
2. Construction involving wall or roof penetration, drilling, or nailing
3. Structural modifications
4. Electrical, electronic, plumbing, or heating and cooling work
5. Painting
6. Installation of carpet, playground equipment, benches, sprinkler systems, marquees or signs
7. Paving
8. Tree planting, pruning, or removal

The County Superintendent or designee shall ensure that volunteers possess the appropriate license and/or have sufficient expertise required for the project. He/she shall also ensure that such projects comply with building and safety codes and other applicable laws and collective bargaining agreements. Butte County Office of Education shall provide on-site assistance and supervision for such projects as necessary.

REVISED:
The County Superintendent believes that it is important for parents/guardians and community members to take an active interest in the issues affecting schools and students. Therefore, the County Superintendent encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the County Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the Principal or designee. When a visit involves a conference with a teacher or the Principal, an appointment should be scheduled during non-instructional time.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

The Principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and Principal's permission.

The County Superintendent encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing complaint processes if they have concerns with any program or employee. The Principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

**Presence of Sex Offender on Campus**

Any person who is required to register as a sex offender, including a parent/guardian of a student, shall request written permission from the Principal before entering the school campus or grounds. As necessary, the Principal shall consult with local law enforcement authorities before allowing the presence of any such person at school or other school activity. The Principal also shall report to the County Superintendent or designee anytime he/she gives such written permission.

The Principal shall indicate on the written permission the date(s) and times for which permission has been granted.

VISITORS/OUTSIDERS
The County Superintendent or designee shall post at every entrance to each school and school grounds a notice describing registration requirements, school hours or hours during which registration is required, the registration location, the route to take to that location, and the penalties for violation of registration requirements.

Unless otherwise directed by the Principal or designee, a staff member shall accompany visitors/outsiders while they are on school grounds.

When an outsider fails to register, or when the Principal or designee denies or revokes an outsider's registration privileges, the Principal or designee may request that the individual promptly leave school grounds. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the County Superintendent or Principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the County Superintendent or Principal shall be held within seven days after receipt of the request.

BCOE shall provide a process by which a complaint submitted by any person regarding an employee can be resolved impartially, expeditiously, and with minimal disruption to operations and the educational program.

When a concern regarding an employee is presented during a County Board meeting or to an individual County Board member or employee outside of a County Board meeting, the complainant shall be informed of the appropriate complaint procedure.

The County Superintendent or designee shall determine whether a complaint against any other employee should be considered a complaint against BCOE and/or an individual employee, and whether it should be resolved by BCOE’s process for complaints concerning personnel and/or other BCOE procedures.

Any complaint of child abuse or neglect alleged against a County Office employee shall be reported to the appropriate local agencies in accordance with law and SR 5141.4 - Child Abuse Prevention and Reporting.

Any complaint alleging that an employee engaged in unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) in BCOE programs and activities shall be filed in accordance with SR 1312.3 - Uniform Complaint Procedures.

Any complaint by an employee, job applicant, volunteer, intern, or independent contractor alleging unlawful discrimination or harassment by an employee shall be filed in accordance with SP 4031 – Complaints Concerning Discrimination in Employment.

Any complaint subject to this policy and the accompanying Administrative Regulation shall be investigated by the principal or the employee's immediate supervisor, or by the County Superintendent or designee, by legal counsel, and/or by any other appropriate person who is not the subject of the complaint or subordinate to the employee charged in the complaint. The complainant and the employee shall have an opportunity to present information relevant to the complaint.

A complaint that is filed anonymously may be investigated by the County Superintendent or designee depending on the specificity and reliability of the information.

If a complainant requests confidentiality, the County Superintendent or designee shall inform the complainant that the request may limit BCOE’s ability to investigate the employee's conduct or take other necessary action. However, the County Superintendent or designee shall take all reasonable steps to investigate and resolve the complaint without divulging the complainant’s identity.

The County Superintendent prohibits retaliation against complainants.

UNIFORM COMPLAINT PROCEDURES

Except as the County Superintendent may otherwise specifically provide in other Butte County Office of Education policies, these uniform complaint procedures (UCP) shall be used to investigate and resolve only the complaints specified in SP 1312.3.

Compliance Officers

The County Superintendent designates the following compliance officer(s) to receive and investigate complaints and ensure Butte County of Education (BCOE) compliance with law:

Mikeial Williamson
Executive Director – Human Resources
1859 Bird Street Oroville, CA 95965
530-532-5766
mwilliamson@bcoe.org

BCOE designates the individual, position, or unit identified above as responsible for coordinating BCOE’s response to complaints and for complying with state and federal civil rights laws. The individual also serves as the compliance officer specified in SR 5145.3, Nondiscrimination/Harassment, as the responsible employee to handle complaints regarding unlawful discrimination. The County Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs at issue in the complaint for which they are assigned to investigate. Assigned employees may have access to legal counsel as determined by the County Superintendent or designee.

Training provided to such designated employees may include the steps and timelines specified in this administrative regulation, current state and federal laws and regulations governing the program, applicable processes for investigating complaints, including those involving alleged unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures.

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the results of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the County Superintendent, the County Superintendent’s designee, or, if appropriate, the principal or program administrator to implement, if appropriate, one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until BCOE issues its final written decision, whichever occurs first.

In no instance shall a compliance officer be designated to investigate a complaint if they are mentioned in the complaint or has a perceptible bias or a conflict of interest that would prohibit them from fairly investigating the complaint. Any complaint filed against a compliance officer or
Butte County Office of Education
SUPERINTENDENT’S POLICY AND ADMINISTRATIVE REGULATIONS

that raises a concern about the compliance officer’s ability to investigate the complaint fairly and without bias, shall be filed with the County Superintendent or designee who shall determine how the complaint is investigated.

Notifications

BCOE’s uniform complaint policy and regulation shall be posted in all BCOE schools and offices, including staff lounges and student government meeting rooms. If fifteen (15) percent or more of students enrolled in a particular BCOE program speak a single primary language other than English, BCOE’s policy, regulation, forms, and notices concerning uniform complaint procedures shall be translated into that language. (Education Code 234.1, 48985) In all other instances, BCOE shall provide meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The County Superintendent or designee shall annually provide written notification of BCOE’s UCP including requirements related to student fees, local control accountability plans, and the educational rights of foster and homeless students and children of military families, to students, employees, parents/guardians, school advisory committees, appropriate private school officials or representatives, and other interested parties. (Education Code 262.3, 48853, 48853.5, 49013, 49069.5, 51225.1, 51225.2, 52075, 5 CCR 4622)

The annual notification and contact information for the compliance officer, and any other information related to Title IX as required by Education Code 221.61, shall be posted on the BCOE web site and, if available, may be provided through BCOE supported social media.

The notice shall:

1. Identify the staff person(s), position(s), or unit(s) responsible for receiving complaints.
2. Include a list of all federal and state programs within the scope of the UCP.
3. Advise the complainant of any civil law remedies, including but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal discrimination laws, if applicable.
4. Advise the complainant of the appeal process, including, if applicable, the complainant’s right to take a complaint directly to the California Department of Education (“CDE”) or to pursue remedies before civil courts or other public agencies, such as the U. S. Department of Education’s Office for Civil Rights (“OCR”) in cases involving unlawful discrimination.
5. Include statements that:
   a. BCOE has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs, including those related to prohibition of unlawful discrimination, harassment, intimidation, or bullying against any protected group and all programs and activities that are subject to the UCP as identified in the section above entitled "Complaints Subject to UCP".
   b. The complaint review shall be completed within sixty (60) calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an
extension of the timeline.

c. A student enrolled in a public school shall not be required to pay a fee for their participation in an educational activity that constitutes an integral fundamental part of the county office’s educational program, including curricular and extracurricular activities, and that any such complaint must be filed no later than one year from the date of the alleged violation.

d. The County Board is required to adopt and annually update a local control and accountability plan (LCAP), in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP, and that any complaint may be filed anonymously if the complainant provides evidence or information leading to evidence to support the complaint.

e. A statement that BCOE post a standardized notice of the educational rights of foster youth, homeless students, children of military families, migrant students, and immigrant students enrolled in a newcomer program, as specified in Education Code 48853, 48853.5, 49069.5, 51225.1, and 51225.2, and of the complaint process.

f. That complaints will be investigated in accordance with BCOE’s UCP and a written decision will be sent to the complainant within 60 days from the receipt of the complaint, unless this time period is extended by written agreement of the complainant.

g. That the complainant has a right to appeal BCOE’s decision to CDE by filing a written appeal, including a copy of the original complaint and BCOE’s decision, within 30 days of receiving BCOE’s decision.

h. Advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

i. That copies of BCOE’s UCP are available free of charge. The complainant has a right to appeal BCOE’s decision to CDE by filing a written appeal within fifteen (30) days of receiving BCOE’s decision.

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the BCOE web site and may be provided through BCOE-supported social media, if available.

Procedures

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, BCOE staff shall assist in the filing of the complaint. (5 CCR 4600). If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, BCOE staff shall help him/her to file the
All complaints shall be investigated and a decision issued within sixty (60) calendar days of the receipt of the complaint by BCOE unless the complainant agrees in writing to an extension of the deadline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) BCOE shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

Compliance officers shall maintain a record of each complaint and subsequent related actions, including the steps taken during the investigation of those complaints, including all information required for compliance with 5 CCR 4631 and 4633. All records shall be destroyed in accordance with state law and BCOE policy.

All parties involved in the allegations shall be notified when a complaint is filed, and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation, and unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint signed by the complainant of alleged noncompliance by the BCOE with federal and state laws or regulations governing educational programs. These programs include adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)

A complaint alleging noncompliance with the law regarding the prohibition against requiring students to pay student fees, deposits, and charges, or any requirement related to the LCAP, may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the County Superintendent, principal or program administrator. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

All complaints must be filed within one year from the date of the alleged violation, except complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying under this policy must be initiated no later than six (6) months from the date when the alleged discrimination occurred or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The complaint may only be filed by a person who alleges that he/she personally suffered unlawful discrimination, or by a
For complaints relating to Local Control and Accountability Plans (LCAP), the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that we adopted.

When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the county office’s ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, BCOE will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

Step 2: Mediation

Within three (3) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. Meditation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of a sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation, unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of the law, the compliance officer shall proceed with the investigation of the complaint.

The use of mediation shall not extend BCOE’s time lines for investigating and resolving the complaint unless the complainant agrees in writing to such extension of time. If mediation is successful and the complaint is withdrawn, then BCOE shall take only the actions agreed to through the mediation. If mediation is unsuccessful, BCOE shall then continue with subsequent steps specified in this administrative regulation.
Step 3: Investigation of Complaint

Within ten (10) business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation of the complaint.

Within three (3) business days of initiating the investigation, the compliance officer shall notify the complainant and/or their representative of the opportunity to present to the compliance officer any evidence or information leading to evidence to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation. (5 CCR 4631)

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation, shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform the parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide BCOE's investigator with documents or other evidence related to the allegations in the complaint, or failure or refusal to cooperate in the investigation or engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide BCOE's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

BCOE shall provide the investigator in accordance with law, access to records and/or other information related to the allegation in the complaint. Failure or refusal by BCOE to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a “preponderance of the evidence” standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.
Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of BCOE’s investigation and decision, as described in Step #5 below, within sixty (60) calendar days of BCOE’s receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent BCOE’s final written decision at the same time it is provided to the complainant.

Step 5: Investigation Report

BCOE’s decision on how it will resolve the complaint shall be in writing and sent to the complainant. (5 CCR 4631)

In consultation with BCOE’s legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination as described herein, notice of BCOE’s decision to the alleged victim, may following consultation with legal counsel, include information about any sanctions to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision written in English shall also be translated into that language. In all other instances, BCOE shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

The decision shall include the following six elements:

1. The findings of fact based on the evidence gathered.
   In reaching a factual determination, the following factors may be taken into account:
   a. statements made by any witnesses
   b. the relative credibility of the individuals involved
   c. how the complaining individual reacted to the incident
   d. any documentary or other evidence relating to the alleged conduct
   e. past instances of similar conduct by any alleged offenders
   f. past false allegations made by the complainant

2. The conclusion(s) that provides a clear determination for each allegation as to whether the BCOE is in compliance with the relevant law;
3. Corrective action(s), if the BCOE finds merit in a complaint:
   a. Pertaining to complaints of Pupil Fees; LCAP, Physical Education Instructional Minutes, or Course Periods without Educational Content, the remedy shall go to all affected pupils, parents, and guardians;
   b. For all other complaints within the scope of the Uniform Complaint Procedures, the remedy shall go to the affected pupil;
   c. With respect to a pupil fees complaint, corrective actions shall include a remedy where in good faith, by engaging in reasonable efforts, an attempt to identify and fully reimburse all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint;

For complaints of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, the decision may, as required by law, include:

   d. the corrective actions imposed on the individual found to have engaged in the conduct that relate directly to the subject of the complaint
   e. individual remedies offered or provided to the complainant or another person who was the subject of the complaint
   f. systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

4. Notice of the complainant’s right to appeal BCOE’s decision to the CDE within fifteen (30) days and procedures to be followed for initiating such an appeal (5 CCR 4631)

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law, including discriminatory harassment, intimidation, and bullying, the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the county office’s complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE (Education Code 262.3).
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with OCR within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate
corrective action permitted by law. Appropriate corrective actions that focus on the larger school or BCOE’s environment may include, but are not limited to, actions to reinforce BCOE policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation, unlawful discrimination (such as discriminatory harassment, intimidation or bullying) appropriate corrective actions that focus on the student victim may include, but are not limited to, providing the following:

a. Counseling
b. academic support
c. health services
d. assigning an escort to allow the victim to move safely about campus
e. information regarding available resources and how to report similar incidents or retaliation
f. separating the victim from any other individuals involved, provided the separation does not penalize the victim
g. restorative justice
h. making follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving retaliation unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), BCOE shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and applicable collective bargaining agreement.

BCOE may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that BCOE does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.
If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in grades K-6, or any requirement related to the LCAP is found to have merit, BCOE shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, such remedies, where applicable, shall include reasonable efforts to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to filing the complaint. (Education Code 49013, 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with BCOE’s final written decision on a complaint subject to the UCP, may appeal in writing to the CDE within thirty (30) days of receiving BCOE’s decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52017; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), is dissatisfied with BCOE’s final decision, he/she may, in the same manner as the complainant, file an appeal with the CDE.

When appealing to the CDE, the complainant must specify the basis for the appeal of the decision including at least one of the following (5 CCR 4632(b))

1. The BCOE failed to follow its complaint procedures, and/or
2. Relative to the allegations of the complaint, the BCOE Investigation Report lacks material findings of fact necessary to reach a conclusion of law, and/or
3. The material findings of fact in the BCOE Investigation Report are not supported by substantial evidence, and/or
4. The legal conclusion in the BCOE Investigation Report is inconsistent with the law, and/or
5. In a case in which the BCOE found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the decision by BCOE the County Superintendent or designee shall forward the following documents to the CDE:

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by BCOE, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
The CDE may directly intervene in the complaint without waiting for action by BCOE when one of the conditions listed in 5 CCR 4650 exist, including when BCOE has not taken action within sixty (60) calendar days of the date the complaint was filed with BCOE.

Health and Safety Complaints in License-Exempt Preschool Programs

BCOE does not currently run license-exempt preschool programs, if BCOE runs a license-exempt preschool program in the future, the following policy will be applied:

With the approval of the County Superintendent or designee, official school-related organizations may organize fundraising events involving students.
