

CATEGORICAL SUPPORTS & SERVICES

Butte County Office of Education

The new ESSA requirements drive so many facets of district and charter business.

BCOE offers consulting and technical assistance services to examine Local Education Agency (LEA) categorical, site council, reporting and collaboration practice with recommended improvement solutions. The Categorical Coordinator will assist LEAs with systematic approaches to understand categorical requirements and effective practice to ensure compliance. BCOE will ensure districts have sufficient support to monitor and report on state and federal mandates and proactively address Federal Program Monitoring requirements.
