28 program need and within each area.
- 29 2. The regular work year will be 218 contract days spread over twelve (12) months.

- 14 e. Changes to ERs cannot be made retroactively.

29 6. Migrant Education CSEA 436 employees who worked a 7.5-hour day prior to the Migrant
30 Education Reorganization in April 2014, will continue to work 7.5 hours per day.

31 E. Days and Hours of Employment

32 The regular workday hours and/or assigned days of an employee being placed in a new or vacant
33 position will be scheduled by the Superintendent or designee and announced by job vacancy notice.

1 F. Involuntary Reassignment Hours

- 2 1. Once scheduled, a change in the regular assigned days or hours of an employee holding a
3 given position may be made at the Superintendent's or designee's discretion.
- 4 2. Notice of involuntary reassignment of workdays or hours shall be given in writing to the unit
5 member(s). Advance notice of at least fourteen (14) working days shall be given. By mutual
6 agreement the parties can agree to less than (14) working days' notice.
- 7 3. The Superintendent or designee shall notify the unit member who has been identified for
8 reassignment of workdays or hours. At the request of the unit member, they shall be given
9 the opportunity to meet with the Superintendent and/or designee(s) to discuss the reason
10 for the transfer prior to the implementation of the reassigned workdays or hours. If the
11 transfer or reassignment is not based on seniority, the Superintendent or designee shall,
12 upon request from the unit member provide the unit member with a written statement
13 describing the criteria used in making the determination.

14 G. Temporary Involuntary Reassignment of Hours

- 15 1. A temporary reassignment of hours is one initiated by management without the
16 concurrence of the unit member.
- 17 2. A temporary reassignment is defined as no more than three (3) consecutive work weeks.
- 18 3. Temporary reassignments may be made at the discretion of the Superintendent or designee
19 upon a determination that the transfer or reassignment serves the best interest of the
20 Superintendent.
- 21 4. Notice of involuntary reassignment shall be given in writing to the unit member(s). Advance
22 notice of at least fourteen (14) calendar days shall be given, except in an emergency
23 situation where safety is a concern.

24 H. Meal/Rest Periods

25 Unit members shall be entitled to meal and rest periods as follows:

- 26 • 2.5 to less than 4.0 hours/day - One 10-minute rest period

31 except that employees may by agreement with the supervisor, voluntarily give up their meal period
32 if the workday does not exceed 6.0 hours. Employees whose assignment is 6.0 hours or more will be

7 service training program, if it is not a regular duty day or within regular duty hours. If such notice is

8 not provided, the training activity shall be voluntary with pay if attended.

9 **ARTICLE 8**

10 **COMPENSATION**

11 A. Salary Schedule

- 12 1. For the period beginning December 1, 2002, the Superintendent shall increase the 2001-
- 13 2002 salary schedule 6.37% for employee contribution to PERS. For the period beginning
- 14 July 1, 2002, the Superintendent shall increase the 2001-2002 salary schedule 2%.
- 15 2. Effective July 1, 1996, unit members occupying positions identified by management as
- 16 requiring utilization of American Sign Language (ASL) shall be paid an additional five percent
- 17 (5%) of their regular hourly rate. The additional five percent (5%) will cease upon the unit
- 18 member's transfer into a position that is not identified as an ASL position or management
- 19 determines the position no longer requires utilization of ASL.
- 20 3. Prior to the 2001-2002 fiscal year, the Superintendent paid the employee's share of the
- 21 PERS contribution on behalf of all bargaining unit members. In 2001-2002, the employee
- 22 share of the PERS contribution was 7.0% of gross wages and the Superintendent's net cost
- 23 was also 7.0% since it was not subject to payroll taxes. The parties determined in 2001-2002
- 24 that if the salary schedule was increased by 6.37% there would be an additional 0.63% cost
- 25 in payroll taxes equaling a net cost to the Superintendent of 7.0%. In other words, it cost the
- 26 Superintendent the same amount whether he paid the employees' share of PERS or instead
- 27 gave employees a 6.37% salary increase. Because it increased gross salaries for employees
- 28 and was cost-neutral to the Superintendent, the parties agreed to increase the salary
- 29 schedule by 6.37% and that employees would pay the employee's share of PERS
- 30 contribution out of their gross salaries effective December 1, 2002. This provision is included
- 31 in this agreement strictly as an historical reference.

32 B. Insurance Benefits

- 33 1. The Superintendent shall provide full-time unit members and dependents voluntary
- 34 medical, dental, and vision care.

- 1 2. The Superintendent will contribute \$879.96 per month toward the medical premium
2 effective 7/1/2022, \$95 per month toward the dental premium, and \$19 per month toward
3 the vision premium.
- 4 3. Unit members may elect medical plans offered by the Superintendent with higher monthly
5 premium by paying the excess premium cost by payroll deduction.
- 6 4. Unit members may elect plans offered by the Superintendent with a lower monthly
7 premium, and the Superintendent will reimburse the difference in premium to the unit
8 member.
- 9 5. Regular and part-time unit members provided health program benefits as of June 30, 1980
10 will continue to receive benefits as long as they meet those criteria under which they
11 became eligible.
- 12 6. Effective April 1, 1992, the Superintendent shall provide a 1.1% of total wages premium
13 contribution for each unit member to be applied to an organization-selected disability
14 insurance program (American Fidelity Assurance Company).

5 The Superintendent shall meet with the grievant within ten (10) working days and shall
6 communicate a decision/resolution to the grievant in writing within ten (10) working days
7 thereafter. If the Superintendent does not respond within the time limits provided, or if the
8 grievant is not satisfied with the decision at Level III, the grievant may, with approval of
9 CSEA, request that the grievance be presented for arbitration at Level IV within ten working
10 days.

11 5. **Formal Level IV:** If the aggrieved is not satisfied with the decision rendered by the
12 Superintendent, Level III, they may request that the Association submit the grievance to
13 mediation which must be mutually agreed by the Association and the Superintendent.
14 Within ten (10) duty days after receipt of the Level III decision, the Association may request
15 that a mediator from the California State Conciliation Service meet with the Association and
16 the Superintendent or designee to attempt to settle the grievance. If the grievance is not
17 resolved as a result of mediation, the Association, at the request of the grievant, may appeal
18 the grievance to arbitration (Formal Level V).

19 6. **Formal Level V:** The grievant and the employer, having decided on arbitration, shall attempt
20 to agree upon an arbitrator. Should they be unable to do so, a request shall be made to the
21 State Conciliation Service to supply a panel of five (5) persons experienced in hearing public
22 school employee grievances. Each party shall alternately strike a name from the panel list
23 until only one name remains. The remaining panel member shall be the arbitrator.

24 The arbitrator shall proceed under the Expedited Labor Arbitration Rules of the
25 American Arbitration Association. The arbitrator's decision shall be in written form and will
26 set forth findings of fact, reasoning and conclusions on the issue (s) submitted. The
27 arbitrator will be without power or authority to make any decisions which require the
28 commission of an act prohibited by law or to add to, subtract from, or modify the terms of
29 this Agreement or the written policies, rules, regulations and procedures of the employer.

30 The total fees and expenses of the arbitrator shall be borne equally by the employer and
31 CSEA.

32 After a hearing of the evidence and after both parties have had an opportunity to make
33 written arguments, the arbitrator shall submit a proposed decision/resolution in writing and

1 those decisions shall be advisory for all parties.

3 TRANSFERS/VACANCIES/PROMOTIONS/DEMOTIONS

4 A. Transfers

5 1. Definition: A transfer is the relocation of a unit member from one (1) work site to another work
6 site. Transfers fall into two categories:

7 a. Voluntary Transfer: Initiated at the request of a unit member.

8 b. Involuntary Transfer: Initiated by the Superintendent.

9 c. Transfer Notice: The Butte County Office of Education (BCOE) shall provide notice of all
10 proposed transfers to the CSEA President. The BCOE will also provide a copy of all
11 transfer correspondence or notices sent to an affected employee.

12 2. Voluntary Transfers:

13 a. Unit members may file a request for transfer at any time during the school year. Such
14 requests shall remain active for the current school year only. Transfer for the ensuing
15 school year shall be on file with Human Resources not later than June 30.

16 b. Transferred unit members shall serve a probationary period. Serving a probationary period
17 in the new position/classification does not affect the unit member's permanent status if
18 the unit member has acquired such status.

19 c. Unit members shall submit forms for transfer to the Human Resources office.

20 d. The filing of a request for transfer is without prejudice to the unit member. Such requests
21 shall not jeopardize the unit member's present position.

22 e. Length of service with the Superintendent will be a factor in the consideration of
23 candidates.

24 f. Up to three (3) unit members shall be interviewed for a known vacancy and will be notified
25 when a final selection has been made.

26 3. Involuntary Transfers: An employee involuntarily transferred or transferred due to layoff shall be
27 reimbursed at the current approved mileage rate for total new round trip miles less the previous
28 round trip commute. In order to qualify, the new round trip must be at least 20 miles more than
29 the previous round trip. An employee shall be reimbursed such excess mileage for up to 36
30 months unless one or both of the following occurs:

31 a. Commute becomes less than the previous commute and does not meet the qualifying
32 conditions stated above.

- 1 b. Employee voluntarily changes jobs, even if at the same job site. If an employee's
2 commute increases due to a living location change, the reimbursement amount does
3 not change.

4 4. Job Site Modifications

- 5 a. This procedure shall apply to changes in job site or work year assignment to Year-Round
6 Education within the unit as a result of program needs.
- 7 b. Prior to any such changes in job site or assignment to Year-Round Education, management
8 shall consult with affected staff members and CSEA concerning job site changes prior to
9 notifying employees pursuant to item c. below. Such changes in job site shall be attempted
10 to be accommodated voluntarily by the employees involved.
- 11 c. Employees currently assigned to a site newly designated as a year-round school and not in
12 a twelve (12) month position shall be given first consideration for vacancies (same
13 classification) for which they are qualified.
- 14 d. No employee who is assigned to a Year-Round Education site shall suffer a loss in assigned
15 time and/or benefits from that employee's previous assigned time and/or benefits in a
16 "traditional" schedule when mutually agreeing to a modified work year which results in no
17 change in assigned time or total days worked per year.
- 18 e. A unit member whose job site is to be changed shall be provided at least fourteen (14)
19 calendar days advance notice. The employee shall be provided the following options:
- 20 1. Accept the changed job site, or
- 21 2. Accept any current unit vacancy within the existing classification for which the
22 employee meets the requirements and qualifications.
- 23 f. In the event the employee does not exercise the above options, the least senior employee
24 who meets the following criteria shall be assigned to the job site:
- 25 1. Is currently assigned within a thirty (30) mile radius of that position.
- 26 2. Has the same number of assigned hours of employment and classification as that
27 position.
- 28 3. Meets the requirements and qualification of that position.
- 29 g. The incumbent employee would then have the options of being reassigned to the least
30 senior employee's position or of resigning employment.

- 31 5. Medical Transfer: The Superintendent shall determine and give alternate work, when available,
32 to a unit member who has become medically unable to satisfactorily perform their regular job
33 class duties. The alternate work may constitute promotion, demotion, or lateral transfer to a

1 related class, but it shall be initiated only by mutual agreement with CSEA and the concurrence
2 of the unit member.

3 B. Vacancies:

4 1. Definition:

5 a. A vacancy is an existing regular position vacated by a unit member or a newly
6 established regular position to be filled by a unit member.

7 2. Vacancy Notices:

8 a. Vacancy notices shall be distributed by the Human Resources Office by:

- 9 1) Sending a copy of the vacancy announcement by email to the CSEA President;
- 10 2) Emailing the Edjoin link which includes a listing of all opening to all BCOE
11 employees weekly;
- 12 3) Emailing BCOE in-house vacancy announcements to all BCOE employees as they
13 occur;
- 14 4) Posting a hard copy of the announcement on the HR bulletin board at the BCOE
15 Bird Street office;
- 16 5) Vacancy notices will be posted for a minimum of ten (10) working days.
- 17 6) Vacancy notices shall include the following information: job title, a brief
18 description of the position and duties, minimum qualifications required for the
19 position, and months per year assigned to the position, salary range, and the
20 deadline for filing. Vacancy notices will normally, but not necessarily also
21 contain assigned job site, number of hours per day, days per week.

22 3. Filing of Applications:

23 a. A unit member may apply by submitting a completed application to the Human
24 Resources office on or before the final date for filing applications.

25 b. Probationary unit members may be considered for promotion.

26 4. Selection:

27 a. Consideration and interviews will be given to all candidates who meet the established
28 qualifications for the classification.

29 b. Length of service will be a factor in the selection of a candidate.

30 C. Promotion Procedure: A vacancy shall be filled in the following order:

- 31 1. By transfer or promotion of bargaining unit members. Requires at least three (3) applicants
32 who meet the posted minimum qualifications to preclude the simultaneous consideration of
33 external candidates.

- 1 130 work days. An employee serving an initial probationary period may be released without
2 right to an appeal.
- 3 2. The probationary period for employees who laterally transfer into a different classification
4 paid at the same range or who promote shall also be six (6) work months or 130 paid days. If
5 such employee does not pass probation they shall be returned to their former position in
6 their former classification. There shall be no probationary period for an employee who
7 transfers from one position to another within their classification.
- 8 B. Frequency of Evaluation:
- 9 1. A probationary unit member shall be evaluated after three (3) months and before the last
10 month of the designated six (6) month probationary period.
- 11 2. Unless noted in B.3, a permanent unit member shall receive a written evaluation at least
12 once every two (2) years unless otherwise requested by the unit member supervisor. Due
13 dates MUST be observed.
- 14 3. As required by the California Department of Education Migrant Education contract, Migrant
15 Education Recruiters will be reviewed and evaluated annually.
- 16 4.
- 17 C. Evaluator: The evaluator shall be the unit member's immediate supervisor and/or any other
18 management employee so designated by the Superintendent.
- 19 D. Evaluation Conference:
- 20 1. Whenever an evaluation is done, an evaluation conference shall be held between the unit
21 member and the evaluator. The evaluator will present a written evaluation on appropriate
22 Butte County Office of Education forms and discuss it with the unit member.
- 23 2. The unit member shall sign the evaluation signifying only that the unit member has read the
24 document and has been given a copy. Administrative signatures must precede the unit
25 member's. The evaluator shall describe the specific data used in completing the rating form.
- 26 3. Evaluations may be conducted as frequently as required to improve performance.
- 27 4. A unit member shall have a period of thirty (30) working days following the evaluation
28 conference to prepare and submit a written reaction, if any, in response to the evaluation.
29 Such response will become a permanent attachment to the evaluation and be placed in the
30 unit member's personnel file.
- 31 5. Any negative evaluation shall:
- 32 a. Identify areas where improvement is needed;
- 33 b. Offer specific suggestions for improvement;

1 educational institutions.

2 **ARTICLE 17**

3 **RECLASSIFICATION PROCEDURE**

4 A. Definition: Reclassification is the placement of a position in a classification different from the
5 one currently designated.

6 B. The Superintendent shall reclassify a position when it appears there has been a significant change
7 in the duties and/or responsibilities of a position.

8 1. When a position is reclassified to a higher classification, the Superintendent shall determine
9 if the incumbent is qualified to advance to the higher class.

10 2. Unit members changing classification upward shall enter the new class on the first salary
11 step which is not less than five percent (5%) greater than their current rate of pay; in special
12 circumstances where the unit member's skills, knowledge, abilities, and/or experience
13 warrant, Human Resources, the department head, and Cabinet member. may agree on a
14 higher step placement.

15 3. When a position is reclassified to a lower classification, the incumbent shall have the
16 following options:

17 a. Enter the new class with salary frozen (Y-Rate) at the current level until such time wages
18 at the lower pay range equal no loss of dollars to the unit member.

19 b. Bump any unit member in the same class with less seniority.

20 c. Bump any unit member with less seniority in a lower class in which the incumbent
21 formerly served.

22 **ARTICLE 18**

23 **NEGOTIATION PROCEDURES**

24 A. The Superintendent and CSEA shall initiate negotiations sessions at any time either deems
25 necessary using the WIN-WIN bargaining process. [Negotiations based on principals,
26 assumptions, steps, and techniques which trained negotiators use to achieve positive results for
27 both parties.]

28 B. The Superintendent and CSEA may initiate negotiation sessions by written notification to the
29 other party outlining the issue. The first session shall be scheduled within 30 days or as mutually
30 agreed.

31 C. If agreement is reached on any elements of the package, those elements may be reduced to
32 writing and initialed as "tentative agreements."

- 1 D. It is understood and agreed that “tentative agreement” means subject to reaching agreement,
2 including editorial and syntactical adjustment in the language. The initialing in no way implies a
3 contractual agreement.
- 4 E. CSEA shall be allowed release time for up to five (5) unit members for the purpose of attending
5 joint negotiation sessions, which are mutually scheduled by the parties. Said released time
6 commences at time and days mutually scheduled for negotiations. Unit members will suffer no
7 loss of pay for release time.

8 **ARTICLE 19**

9 **LAYOFF AND REEMPLOYMENT**

- 10 A. Layoff Definition: A layoff is an involuntary separation of a permanent classified employee from
11 the classified service directly caused by a lack of work (elimination of services) or a lack of funds
12 (including the expiration of a specially funded program). Layoff includes any reduction in hours
13 of employment or assignment to a classification in which the employee has permanence,
14 voluntarily consented to by the employee, in order to avoid interruption of employment by lay
15 off.
- 16 B. Reason for Layoff: Layoff shall occur only for lack of work or lack of funds in accordance with
17 Education Code sections §45117, §45298, and §45308.
- 18 C. Notice of Layoff:
- 19 1. Notice of layoff shall be provided in accordance with the provisions of applicable law.
20 (Ed. Code section 45117.)
- 21 2. When BCOE will lay off a classified employee for the ensuing year due to lack of work or
22 lack of funds, a written preliminary notice of layoff must be served to the employee no
23 later than March 15, except as provided by law.
- 24 3. When BCOE will lay off a classified employee due to the expiration of a specially funded
25 program, a written notice of layoff must be served to the employee not less than sixty
26 (60) days prior to the effective date of their layoff informing them of their layoff date
27 and their displacement rights, if any, and reemployment rights.
- 28 4. Notice shall be served personally or sent by certified mail to affected employees at their
29 last address on file with the BCOE.
- 30 5. The notice shall contain:
- 31 a. The reason for the layoff;
- 32 b. The effective date;
- 33 c. The employee's displacement rights, if any;

- 1 d. The employee's reemployment rights; and
- 2 e. The employee's hearing rights, if the layoff is not due to the expiration of a specially
- 3 funded program.
- 4 D. The Superintendent/Designee shall notify CSEA Chapter #436 in writing prior to the date of any
- 5 layoff notices being sent to bargaining unit employees. Superintendent and CSEA Chapter #436
- 6 shall meet sufficiently in advance of the notices being sent in order to complete negotiations by
- 7 the effective date of layoff notices. CSEA may open negotiations at its discretion on the effects
- 8 of the proposed layoffs and to determine the order of layoff within the provisions of this
- 9 agreement and/or to negotiate the decision and effects of proposed reductions in hours. By no
- 10 later than the date the layoff notices are sent to employees, The Superintendent/Designee shall
- 11 also provide CSEA with a copy of the seniority list and information showing where it anticipates
- 12 each employee who may be affected by layoff has bumping rights.
- 13 E. A copy of each employee's layoff notice shall also be sent to the CSEA Chapter President.
- 14 F. Hearing Rights:
- 15 1. Except as provided by law, a classified employee subject to layoff may request a hearing
- 16 to determine if cause exists for not reemploying the employee the following school
- 17 year. A request for hearing must be in writing and delivered to the Superintendent or
- 18 designee within seven (7) calendar days after the date the notice of layoff is served on
- 19 the employee. A failure to request a hearing within this timeframe shall constitute a
- 20 waiver of the employee's right to a hearing.
- 21 2. If a hearing is properly requested, the proceedings shall be conducted consistent with
- 22 Education Code section 45117(c) and other applicable provisions of law.
- 23 3. A final notice of layoff shall be given to the employee before May 15 unless a
- 24 continuance is granted after an employee's request for hearing is submitted. If a
- 25 continuance is granted, the date to serve the final notice of layoff will be extended the
- 26 number of calendar days of the continuance.
- 27 G. Order of Layoff and Reemployment:
- 28 1. Order of layoff shall be determined in accordance with the provisions of applicable law.
- 29 (Ed. Code section 45308.)
- 30 2. Whenever a permanent classified employee is laid off, the order of layoff within a class
- 31 (classification) shall be determined by length of service. The employee, who has been
- 32 employed the shortest time in the classification plus equal or higher paid classifications,
- 33 shall be laid off first. Reemployment shall be in the reverse order of layoff.

- 1 3. Seniority (length of service) is determined based upon the earliest date of hire within
2 the classification, an equal classification on the salary schedule or a higher classification
3 and without regard to hours the employee has been in paid status.
- 4 H. Process for Implementing Layoffs and Bumping Rights: The following process will be used for
5 implementing layoffs:
- 6 1. In the event a position is eliminated that is held by an employee who is not the least
7 senior employee in the classification, the following process will be used.
- 8 Step 1: If there is another position in the classification with a job profile that most
9 closely approximates their weekly work hours, and which has the same or
10 less annual hours they shall be able to bump into that position.
- 11 Step 2: (if needed): If there are no positions in the classification that have a job
12 profile with the same or less annual hours, the employee whose position
13 has been eliminated will be allowed to bump an employee in the
14 classification with greater annual hours. The employee under these
15 circumstances must bump the least senior employee in the classification
16 with greater annual hours.
- 17 2. The process outlined in Article 19.F.1 directly above will also be used by employees
18 bumping into lateral or lower classifications. (Lateral refers to a classification paid on the
19 same range as the classification from which they are bumping).
- 20 I. Voluntary Layoff in Lieu of Bumping: A regular employee who elects a layoff in lieu of bumping
21 maintains their rights under this agreement.
- 22 J. Equal Seniority: If two (2) or more employees, subject to layoff, have equal seniority in a class
23 then the determination as to who shall be laid off shall be made on the basis of earliest hire date
24 in any classification. If seniority is still equal, the determination shall be made by lot with the
25 affected employees present.
- 26 K. Salary Placement for Employees Exercising Bumping Rights: When an employee exercises their
27 bumping rights into an equal classification, that employee shall remain on their current range
28 step. When an employee exercises their bumping rights to a lower classification, such employee
29 shall be placed on the salary range step in the lower classification that has an equal salary level.
30 If there is no range and step with an equal salary level, the employee shall be frozen at their
31 existing range and step for at least one (1) year or until such time that the lower classification
32 has a salary level that exceeds the salary level at which the employee was frozen.
- 33 L. Reemployment Rights: Persons laid off because of lack of work or lack of funds are eligible to

1 reemployment for a period of thirty-nine (39) months in their classification or series and shall be
2 reemployed in preference to new applicants. An employee on a reemployment list shall be
3 notified of all employment opportunities in their classification.

- 4 1. In addition, such employees laid off shall have the right to apply for promotional
5 positions within BCOE during the thirty-nine (39) month period. Such employees shall
6 also have the right to be employed in preference to outside applicants into any vacant
7 position in any classification for which they have applied and qualified as determined by
8 test or assessment by BCOE. It shall be the laid off employee's obligation to notify The
9 Superintendent/Designee that they believe they are qualified to serve in any
10 classification, and The Superintendent/Designee shall be obligated to provide any
11 applicable qualifying test or assessment in a timely manner. It is recommended that an
12 employee provide such notice as soon after receiving a layoff notice as possible in order
13 to allow The Superintendent/Designee to "pre-qualify" them in any classification they
14 believe they are qualified to serve.

15 M. Voluntary Demotion or Voluntary Reduction in Assigned Time: Regular employees who take
16 voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the
17 employee's option, returned to a position in their former class or to positions with increased
18 assigned time as vacancies become available, within a sixty-three (63) month period, except that
19 they shall be ranked in accordance with their seniority on any valid reemployment list.

20 N. Retirement in Lieu of Layoff: A regular employee in the bargaining unit may elect to accept a
21 service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. At least
22 ten (10) workdays prior to the effective date of the proposed layoff, such employee shall
23 complete and submit a form provided by The Superintendent/Designee for this purpose. The
24 employee shall be placed on the appropriate reemployment list. The Superintendent/Designee
25 shall notify the Board of Administration of PERS of the fact that retirement was due to layoff. If
26 the employees subsequently accept, in writing, a vacant position, BCOE shall maintain the
27 vacancy, but may fill it on a temporary basis, until PERS has properly processed the request for
28 reinstatement from retirement.

29 O. Seniority Roster: The Superintendent/Designee will establish a seniority roster for each affected
30 classification. The roster will be given to the CSEA president prior to any layoff notices being
31 issued.

32 P. Notification of Reemployment Opening: An employee who is laid off and is subsequently eligible
33 for reemployment shall be notified in writing of an opening. It is the employee's responsibility to

1 ensure The Superintendent/Designee has a current address to which such notices shall be sent.
2 Such notice shall be sent by Certified Mail to the last address given by the employee, and a copy
3 shall be sent to Chapter #436 President. Employee notification shall be considered effective
4 three (3) mail days following delivery or upon receipt, whichever occurs first.

5 Q. Employee Notification to The Superintendent/Designee: An employee shall notify The
6 Superintendent/Designee of their intent to accept or refuse reemployment within ten (10)
7 working days of the effective date of the reemployment notification. If the employee accepts
8 reemployment, the employee must report to work within twenty (20) working days following
9 receipt of the reemployment notice. An employee given notice of reemployment need not
10 accept the reemployment to maintain the employee's eligibility on the reemployment list,
11 provided the employee notifies Human Resources, in writing, of refusal of reemployment within
12 ten (10) workdays after the receipt or attempted delivery of the reemployment notice.

13 R. Reemployment in Highest Classification: Employees shall be reemployed in the highest rated job
14 classification and time assignment available, in accordance with their seniority in any
15 classification in which they hold seniority. Employees who elect a reduction in hours or who
16 accept a position in a classification that is lower than their former classification, shall retain their
17 original sixty-three (63) month reemployment rights to a position in the classification from
18 which they were serving when actually laid off.

19 S. Seniority During Layoff: Upon return to work all time during which an individual was in layoff
20 status shall be counted for seniority purposes not to exceed thirty-nine (39) months, except that
21 during such time the individual shall not accrue vacation, sick leave, holidays or other leave
22 benefits.

23 T. Accumulated Seniority: If an employee is laid off and is subsequently reemployed within thirty-
24 nine (39) months of the layoff, all time accumulated for seniority purposes prior to the effective
25 date of layoff shall be credited to the employee's records.

26 U. Sick Leave Benefits: If an employee is reemployed within thirty-nine (39) months of the layoff,
27 all unused sick leave accumulated prior to the effective date of the layoff shall be credited to the
28 employee's record.

29 V. Vacation Benefits: If an employee is reemployed within thirty-nine (39) months of the date of
30 the layoff, the employee shall regain vacation longevity held prior to layoff.

31 W. Salary Placement: Salary placement for employees reemployed after a layoff shall be
32 determined as follows:

33 1. If a laid off employee is subsequently reemployed in an equal or lower classification within
