2024 Contractor Registration Application California Uniform Construction Cost Accounting Act (CUPCCAA)

The Butte County Office of Education (BCOE) has elected to become subject to the CUPCCAA procedures (Public Contract Code 22032). BCOE is inviting all licensed contractors to submit information for inclusion on the County Office's list of qualified bidders for the 2024 calendar year.

Notes:

1. The registration process is for the purpose of being notified of bid opportunities according to your license classification. Pre-qualification is a more complex process and will be required of all General Contractors (A and B) and all MEPS (C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46) for project in excess of \$1 million.
2. SB 854 became effective July 1, 2014, and requires contractors to register with the DIR prior to bidding on public works projects. The registration (CUPCCAA) does not fulfill that requirement.

This notice requires contractors to provide the following information:

Company name: _____

Address: _____

Phone: _____

Fax No.: _____

Contact Name: _____

Email Address: _____

License Classification(s): _____

License No.: _____

Expiration Date: _____

Type of work (electrical, grading, etc.): _____

Information should be sent to:

Thomas Flanagan, Director of Maintenance, Operations & Facilities
Butte County Office of Education
1859 Bird Street
Oroville, CA 95965
tflanagan@bcoe.org

The BCOE may create a new contractor list effective January 1st of each calendar year and may include any contractors name it desires on the contractors' list, but must include, at a minimum, all contractors who have properly provided the BCOE with the required information, either during the calendar year in which the list is valid or during November or December of the prior year. A contractor may have their firm added to the BCOE's contractors list at any time by providing the required information.
