The Great Kindness Challenge (GKC) is appropriate for all grade levels, including our littlest learners, as it’s never too early to start practicing kindness. Because of this, we created a Junior Edition checklist that is an abbreviated version of our School Edition kindness checklist. You may download all checklists from the GKC tools page on our Great Kindness Challenge website. Please keep in mind that you can modify the challenges to fit your student and classroom needs, such as grouping the challenges into themes like gratitude, caring for our earth, and making new friends. We also encourage you to perform the challenges in groups and include as many visual clues as possible.

PTA/PTO INVOLVEMENT

Encourage your PTA/PTO to utilize The Great Kindness Challenge as a school community-building event and add it to their list of annually sponsored events!

PTA/PTO’s can help lead the way for implementing and promoting a successful Great Kindness Challenge. PTA/PTO’s are a great resource as they often have established volunteer lists to help run Great Kindness Challenge events and they also may have an available budget to purchase incentive items from the Great Kindness Challenge store. If that might be an option for your school, please mark your calendars for a big merchandise sale event that we host annually in celebration of the World Kindness Day on November 13th.

Introduce the Great Kindness Challenge to your PTA/PTO by sharing the Great Kindness Challenge Infomercial Video.

How can the PTA/PTO help?

• Promote Great Kindness Challenge among students, staff, community members
• Pass out Save the Date flyers
• Recruit Kindness Challenge Ambassadors (parents, students, local businesses) who would like to be involved in the Great Kindness Challenge planning and preparations
• Support week-long kindness station(s) at recess to assist students with completing the checklist
• Help with the visuals for the Great Kindness Challenge
• Fund end-of-week prizes/incentives in approx. value of $xxx (pencils, bracelets, Ice Cream Social etc.)
Community Outreach

We encourage you to partner with your community to support your efforts in creating a culture of kindness. You may engage local service clubs (e.g., Rotary, Lions, Optimists, Soroptimists, etc.), elected officials, active military, veterans, senior citizens, and/or local businesses.

Community Kindness

To create a consistent and positive message throughout your school and community invite your community (businesses, service organizations, school board, city offices, and more) to display kind messages on their digital billboards and marques. These will serve as great reminders for all students and community members.

Arkadelphia Public Schools encourages community members, businesses and churches to come together and participate in The Great Kindness Challenge, January 29-February 2, 2018. The Great Kindness Challenge is a positive, proactive bullying prevention initiative, reaching millions of students during the last week of January every year.

In order to create a consistent, positive message throughout our school and community, we are asking our business community and churches to display kind messages on their digital billboard or marquee. These will serve as great reminders for our students and all community members.

Visit greatkindnesschallenge.org for more information.

Assembly/Rally Tips to Engage ALL Children (Introverts and Extroverts)

We understand that all children are unique and respond differently to rallies and assemblies. The below tips will help you be sensitive to all children, especially those who are more introverted or have sensory sensitivities.

- Keep assemblies at 20 minutes
- Play low-volume calming music as children enter (gentle rhythmic drumming works best)
- Dim the lighting, spotlight the speaker if possible
- Incorporate moments of stillness throughout (i.e. 4-7-8 deep breaths) before transitions
- One at a time of the following: Loud, flashy, or movement (all 3 together is harmful for many kids)
- If doing a loud “Kindness Matters” cheer, funnel down the KINDNESS MATTERS cheer so it stops with a whisper, and funneled down arm movement. –“Sometimes kindness is being quiet”
- Keep dancing activities under 30 seconds. If possible, tell kids how long it will last, or indicate with a timer on a screen.
- Follow up most stimulating peaks with a quick focused activity. i.e. Statues in their seats, kind facial expressions, kindest nonverbal gestures, think about favorite kindness heroes
- Focused activity on way out (i.e. think of a unique kind act to do this week)
This rally incorporates two videos, local firefighters, police officers and the mayor. If you can’t include your community in this way, staff and/or parents can fill in.

That was cool! Did you know that The Great Kindness Challenge started 8 years ago with just 3 schools in California?

Now, there are over 13 million students in 24,000 schools in all 50 states participating in The Great Kindness Challenge!
(We are on track for 15 million students in 30,000 schools!)

Class/Group: ____ million students? WOW!
It’s true! We are part of a world-wide kindness revolution!

Class/Group: Cool!
So, how do we do The Great Kindness Challenge?

It’s simple! Your teacher will give you a copy of this kindness checklist (hold up checklist). From today until Friday, we challenge YOU (point at students) to do as many kind acts as possible. That’s it! Super easy!

I have an idea! Let’s do a few of these kind acts together. Let’s start with the first kind act. Smile at 25 people.
On the count of three, stay seated and smile at 25 people in front of you, behind you and beside you. Ready?

Class/Group: I, 2, 3….SMILE!

Entire school smiles for 30 seconds with “smiling” music playing.

That was awesome! Let’s do another kind act together. Let’s do a school wide compliment. On the count of three let's all say, “You are smart and you are kind!” To repeat, on the count of three let's all say, “You are smart and you are kind!” Ready?
Entire School: YOU ARE SMART AND YOU ARE KIND!!!

Yes, you are! Do you know who else is smart and kind? Our firefighters and police officers are smart and kind. Let's ask them to come up and help us with our next kind act. Come on up, friends!

Firefighters and police officers come to the front and are handed KINDNESS MATTERS signs.

Our next kind deed is “Make and display a KINDNESS MATTERS sign.” We’ve made two KINDNESS MATTERS signs. Let's have a KINDNESS MATTERS shout-off. We’re going to split the room in half. The firefighters will be on this side and the police officers on that side. In their hands, they each have a KINDNESS MATTERS sign. We’re going to see which side is loudest. We’ll start with the firefighters. Mr. Firefighter will hold up his sign and count to three. You'll then shout out “KINDNESS MATTERS.” Next will be Ms. Police Officer. We’ll go back and forth a few times to see which side is louder.

Mayor, will you please be our judge? (Waves Mayor up to stage.) Please give a round of applause for our wonderful (name of city) mayor. Welcome Mayor (last name)!

School claps for the mayor.

So, let’s start our KINDNESS MATTERS shout-off. Is everyone ready? Mr. Firefighter, please begin.

Students follows the lead of firefighters and police officers and shout out KINDNESS MATTERS a few rounds.

Mayor, do we have a winner? And while you have the microphone, would you like to say a few kind words to our school?

Mayor speaks.

Thank you Mayor. Your support means the world to us. Now, I think it’s time for another kind act. Let’s do this one. (point to checklist) It says, “Make a Wish for a Child In another Country.” This year, we are going to help build a new school and friendship center in Mexico and make their wish come true. We’re going to take part in “Kind Coins for Mexico.” Check this out. Show Video of Kind Coins for Mexico (coming soon!).

Wow! It’s amazing to think that we can help and bring joy to our friends in Mexico! Student Council will come by your classroom to give more details. OR Your teacher will give you more details back in your classroom. Our kindness is going to spread from (name of city) across our southern border to our friends in Mexico.

All this kindness makes me happy! I’m ready for another challenge. Let’s do “Entertain someone with a HAPPY dance.” Oh yeah! Let’s have a dance off! All adults who want to do a HAPPY dance, come on up. When the music starts, the adults will dance like no one is watching! Mayor will choose the winner. Everyone ready? Cue the music!

“Happy” music plays and dancing begins.

Do you know what else makes me happy? Spirit Dress-up Days make me happy! This week, we are going to dress up each day with different kindness themes. My friends will show you how it’s done! Are you ready for a little kindness fashion show? Come on out friends!
(One by one, students dressed up in the theme will come to the microphone and announce their spirit day.)

The Great Kindness Challenge Wrap Up Assembly Script

This script came from Magnolia Elementary School in Carlsbad, CA.

Good Morning (name of school)! Well, our Great Kindness Challenge Week is coming to an end. Did you have FUN!? Did you put a lot of checks on your checklist!? Let's all complete a couple more KIND acts together. Ready? Smile at 25 people (while staying seated!)...GO! !We can never have too many smiles! Ok, now let's learn to say HELLO in another language. Let's go with Hebrew first. Repeat after me, “Shalom!”

How about French, “Bon jour!” Let's do Swahili, “Jambo” How about Finnish: “Hyvaa Paivaa” hahaha – gotcha that is a tough one!

Well, I hope you really did have a great time and I also hope you remember that KINDNESS MATTERS each and every day. Helping someone if they are hurt, smiling at least 1000 times a day, picking up trash you see on the ground...every kind act matters.

Imagine this: if each of you continue to perform KIND acts every day, by the time you are my age (and seriously that is a loooong time from now) this world will be an even more amazing place than it is now! Can I get an OH YEAH!?

So, to wrap up the Great Kindness Challenge Week I would like to invite the student council up to the front to lead us in a cheer.

STUDENT COUNCIL: When I say KINDNESS, you say MATTERS! KINDNESS---MATTERS.....KINDNESS--MATTERS. I can't hear you!!! When I say KINDNESS, you say MATTERS. KINDNESS---MATTERS.....KINDNESS---MATTERS.

When I say BE, you say KIND. BE---KIND….BE---KIND (Repeat) When I say (name of school), you say WE CARE. (Name of school)---WE CARE… (Name of school)---WE CARE (Repeat) When I say KINDNESS, you say MATTERS. KINDNESS---MATTERS…..KINDNESS---MATTERS. (Repeat) Oh YEAH!!! Great job (name of school)!!

Leading with kindness and compassion, the students & families who participated in The Great Kindness Challenge wanted to help. The idea of building new playgrounds at schools in hurricane-impacted communities in Texas, Puerto Rico and Florida was born. More than 80,000 students participated in this campaign and demonstrated how everybody has a role to play in creating a kinder world. Hasbro, Inc., through its BE FEARLESS BE KIND philanthropic initiative, matched the funds raised, to ensure all playgrounds could become a reality.

Kind Coins for Mexico

What
Kind Coins for Mexico is a unifying service project to build a school and friendship center in Mexico. All Great Kindness Challenge students, families, and communities are invited to participate.

When*
Now until March 1, 2020. All raised funds are due by March 1, 2020.

Why
• All children in the world deserve to have access to healthcare so they can have happy and healthy life.
• Responding to the needs of others teaches empathy and compassion.
• Learning about global issues helps students to be active global citizens.
• This is a dynamic way to fulfill one of the 50 acts of kindness, “Make a wish for a child in another country.”
• To unify all Great Kindness Challenge schools around one common service project. Kindness is working together!

How
1. Watch our “Kind Coins for Mexico” video (coming soon!)
2. Use the video as catalyst to discuss the need for a school and friendship center in Mexico. You may use the grade appropriate Video Learning Guides (available on the GKC tools page on our website).
3. Invite your students to help raise funds to build the new school and friendship center.
4. Each student creates his/her own “Kind Coins for Mexico” collection container, using decorated cans, jars or large envelopes.
5. Students collect spare change around the house, ask neighbors to contribute, host a lemonade stand, take it to their parent/guardian’s workplace, or any other creative way.
6. At the end of the campaign, collect the money, count it, and complete the Kind Coins for Mexico Contribution form.
7. Mail a check or money order along with the Kind Coins for Mexico contribution form and Wall of Wishes photo (optional) to Kids for Peace Headquarters (1302 Pine Avenue, Carlsbad, CA 92008). If the check is issued by an individual or a school district on behalf of a school, please in the memo include the name of the school so we can give appropriate credit.

Where does the money go? The raised funds will go to build a school and friendship center in Mexico. All collected money is mailed to Kids for Peace (501c3 #26-1564351), the nonprofit that hosts The Great Kindness Challenge. Kids for Peace is partnering with a Mexico-based partner. The entire process will be documented with photos for you to share with your students.

Thank you. Your KINDNESS MATTERS!

*The March deadline is essential for us to determine the scope of the project and it allows our partners onsite in Mexico to start the building process, especially since the turn-around time for the entire project is very tight. From an idea to completion, a new school and friendship center will be built within one year! With that being said, we will continue to raise #KindCoins until the end of the school year in order to reach our full goal and meet all expectations.

Wall of Wishes
Fact Sheet

What
Wall of Wishes is part of our Kind Coins for Mexico campaign. The photos will then be displayed on a Wall of Wishes in the new school and friendship center.

Who
All students are invited to participate in the Kind Coins for Mexico campaign. This may be a single student, one classroom, or the whole school. We ask each school to only submit one Wall of Wishes photo.

When
The photo may be taken during or after the Kind Coins for Mexico campaign. The photo will be permanently displayed in the new school and friendship center in Mexico which is scheduled for completion in August 2020. All photos are due by March 1, 2020.

Why
The children of our Mexico school and friendship center will love seeing the smiling faces of all the children who helped raise money to build their new school! This is a beautiful way to put into action one of the 50 kind acts: “Make a wish for a child in another country.”

How
1. During or after the Kind Coins for Mexico campaign, decide on a wish for the children of our Mexican school and friendship center.
2. Write the wish in your desired format: painted banner, using markers, using computer-generated designs, etc.
3. Take a photo of the participating students with the wish incorporated into the picture. Yes, it’s OK to Photoshop the wish after the photo has been taken!

3. Select a Kindness Station area
   a. Library
   b. Lunch Room
   c. Empty classroom
   d. An outside table overlooking the playground
4. Create Kindness Station Schedule
   a. Facilitate the Kindness Station during the week of The Great Kindness Challenge
   b. Provide schedule to Student Council, Principal and Secretary
5. Collect Kindness Station Supplies
   a. Shoe boxes or bags to create craft kits (One for each table or group)

Kindness Reflection Piece
Encourage your students to reflect on the kindness they imparted throughout The Great Kindness Challenge through letter writing, discussion ideas and fun activities. Take a look at the ideas below, which will help provide context for your students. They will start to see the positive impact kindness has on their school, peers and themselves! Kindness has the power to not only improve self-love but also increase campus morale, peer relationships and empathy.

Sentence Starters For Kindness
This is a great activity for our elementary school challenge participants. Help students reflect on how kindness has impacted their lives by providing sentence starters like “I felt happy when...” or “I’m proud that I accomplished my Great Kindness Checklist because...” You get the idea! Need inspiration? Check out our Kindness Reflection Worksheet (available on the GKC tools page).

Kindness Sketch
A simple way for students to reflect on how both imparting and receiving kindness made them feel, have them draw their kindness. Have your students sketch a picture that represents what they’ve learned from The Great Kindness Challenge and share with a peer or the class.

Share Kindness With Home
As a way to continue the kindness momentum, bring the parents/legal guardians on board! Opening up a reflective dialog with parents can deepen the experience for your students. Through Great Kindness Challenge - Family Edition, you can promote a culture of kindness not only in the classroom but within your students’ homes! Send home a parent letter describing the Family Edition, including the Family Edition Checklist and ways that exercising kindness in the home can generate positive outcomes for their child(ren). Studies show that kindness has the power to not only elevate mood, self-confidence and productivity, it also decreases negative behavior and depression.

Write About Your Kindness
Sometimes the best way to reflect is to write. This is a great activity for our high school students. Provide writing topics, kindness quotes to provide inspiration for students to think about the week. Journaling is a traditional reflection activity, but don’t restrict yourself to paper and pencil. Blogs and vlogs work just as well for getting students to reflect on their kindness.

Create Kindness Snowballs
This is a great way to engage your upper elementary school students through 12th grade and is a fun way to reflect on kindness. After the challenge, have your students write a key reflection on a sheet of paper and crumple it up. Then they toss their papers to the other side of the room. Once students catch a “snowball,” they read it, add something new and repeat.

Video Your Kindness
Have your students share what kindness means to them. Provide your students with a prompt, like “Kindness taught me...” or, “I performed [fill in blank kindness act] and it made me feel...” Taping the students’ responses and sharing with them will not only help them reflect on kindness but also sharpen their presentation skills!

Kindness Exit Slips
This is great for our middle school or high school students. Before students leave your class, ask them to quickly jot down what they’ve learned from The Great Kindness Challenge (or answer another reflection question) – it can be that simple. Check out our list of potential exit slip questions, and please send us additional questions that you used to add to our toolkit!

- What one act meant the most to you and why?
- How did performing an act of kindness for a peer/teacher/stranger impact or change your life?
- What does kindness mean to you?

Model Your Own Kindness Reflection
Your students will be more inclined to share how kindness changed their lives if you do so as well - so make sure to model your own kindness reflection by participating in any of the aforementioned suggestions. Or try your own! And if you create your own kindness reflection, make sure to share with us as we love to add fresh ideas to our toolkit.
As a means to reflect on The Great Kindness Challenge, have your students complete this simple exercise and discuss as a class. This activity will help create context for your students, showcasing how performing acts of kindness impacts their lives.

Sentence Starters: Help students reflect on how kindness has impacted their lives by providing sentence starters and having the students complete in their own words.

- I felt happy when ...
- My favorite act of kindness was ...
- A classmate helped me with ...
- A kindness act that inspired me was ...
- After the Great Kindness Challenge, I will ...
- Something I didn’t expect was ...
- Kindness is ...
- I will continue to perform the following act of kindness ...
- The Great Kindness Challenged changed me by ...

Incorporate kindness into your STEAM curriculum. Build, design, or explore kindness in creative ways. Make a Kindness Robot, create a Model of Kindness, design a Rube Goldberg Machine to demonstrate the impact of kind acts, or create your own innovative project.

**Kindness robots at Rhoades School**

Fifth-graders from The Rhoades School in Encinitas combined STEM with The Great Kindness challenge by building robots to display kindness. The students created the robots using Lego EV3 Mindstorms, which incorporate sensors, motors and other tools. More than 30 students presented robots that performed a variety of tasks, including giving hugs, sharing compliments, offering high-fives and encouraging people to donate to charity. The robot presentation was the highlight of the school’s weeklong participation in The Great Kindness Challenge. Students also celebrated with singing, a poetry reading and an open mic night, where they presented their thoughts to make the world a kinder place.

We are thrilled to invite school communities to take The Great Kindness Challenge - Family Edition! This exciting and long sought-after addition to the Great Kindness Challenge was made possible through philanthropic support from global play and entertainment company Hasbro, Inc. and its BE FEARLESS BE KIND initiative.

We invite you to download the Family Edition Kindness Checklist and distribute it to your school families. The Great Kindness Challenge Parent Letter already includes an invitation to take part in the Family Edition as a way for parents to support their kids during and beyond the official Great Kindness Challenge week. Thank you for your kind leadership. We are excited to see The Great Kindness Challenge extend beyond the school walls!

P.S. We have seen schools print double-sided kindness checklists with the School Edition Checklist one side and the Family Edition on the other! So fun!!!

Ten Ways to Use Kind-Hearted Hand (KHH)

1. Play KHH at your GKC kick-off rally or assembly. (As students enter, during or as students exit)
2. Have your school’s choir sing KHH at an assembly or concert.
3. Distribute the song to each classroom to use as desired.
4. Make a slide show or music video of your students’ kind deeds using KHH. (Perfect for a post-GKC Celebration!)
5. Show the official Kind-Hearted Hand music video to kick-off the GKC.
6. Choreograph the song and perform at a school event.
7. Visit a senior center and sing KHH. Provide song sheets to the seniors and invite them to sing along.
8. Use the song as a classroom brainstorming inspiration. Listen to KHH with your students and then make a list of kind deeds/actions.
9. Listen to KHH and then create a Kind-Hearted Hand chain. Each student traces their hand, cuts it out, decorates it with a heart in the middle and writes a kind deed on the back. Display the KHH chain in your classroom, in the hallways, in the school’s office or any other public place.
10. Play KHH at a staff meeting, school board meeting, PTA meeting, etc. to provide an extra dose of HAPPY!

Dear Parent/Guardian,

We are excited to announce that we are participating in The 2020 Great Kindness Challenge where we will join thousands of schools across the country to create a culture of kindness. Your child is part of a powerful and positive bullying prevention initiative that will lead to more kindness, unity, and respect at school and beyond. To help build upon this momentum, we are participating in a unifying service project, Kind Coins for Mexico, to help build a new school and friendship center in Mexico.

All students are invited to participate by giving their extra coins! From now until March 1st, 2020, students can collect spare change at home and in their neighborhoods to be donated to support kids in Mexico.

This is a great opportunity for our students to learn about another culture, expand their compassion, and become active global citizens.

For more information on The Great Kindness Challenge, please visit: www.greatkindnesschallenge.org.

Thank you in advance for helping to create a culture of kindness and compassion in our community and beyond!

With Great Gratitude,

Your Principal
Queridos Padres de Familia,

Estamos muy contentos de anunciar que este año participaremos en El Gran Desafío de Bondad 2020 donde nos estaremos uniendo a miles de escuelas alrededor del país para crear una cultura de bondad. Su hijo/hija tomará parte de una iniciativa muy poderosa y positiva de prevención a “el bullying” que nos conducirá a tener más bondad, unidad y respeto en la escuela y en nuestro alrededor.

Para poner en práctica esta iniciativa, estamos participando en un proyecto de servicio unificado llamado Kind Coins para México.

Todos los estudiantes están invitados a participar trayendo sus monedas extras durante el invierno hasta el 1 de marzo. Los estudiantes pueden recolectar todas las monedas extras (cambio) que tengan en su casa así como también extender la invitación a sus vecinos y familiares. El dinero será donado para apoyar a construir en una escuela y un centro de amistad en México.

Esta es una gran oportunidad para que nuestros estudiantes colaboren a las necesidades de los demás, enseñando empatía y compasión.

Para más información en esta obra del Gran Desafío de Bondad, por favor visitar a: www.greatkindnesschallenge.org.

Muchas gracias de antemano por ayudar a crear una cultura de bondad y compasión en nuestra comunidad.

Con gran gratitud,

Su Directora

Help me make a stand
Every girl, boy, woman and man
Let your voices rise, you’ll be satisfied
When you reach out with a kind-hearted hand
Reach out with your kind-hearted hand

It’s easier than you think
Just be kind to those who you meet
There’s a friend out there, who needs your care
So reach out with a kind-hearted hand
Reach out with your kind-hearted hand

Calling out across the oceans
Calling out across the land
Show the world that kindness matters
And reach out with a kind-hearted hand
Reach out with your kind-hearted hand

When sunny skies turn grey
Follow me; I’ll lead the way
Here’s where we begin, let some love come in
And reach out with a kind-hearted hand
Reach out with your kind-hearted hand

Reach out, reach out, reach out, reach out
Reach out with your kind-hearted hand
Reach out, reach out, reach out, reach out

The Great Kindness Challenge is proudly presented by Kids for Peace, a global 501(c)(3) nonprofit that provides a platform for young people to actively engage in socially conscious leadership, community service, arts, environmental stewardship and global friendship. Kids for Peace was cofounded in 2006 by a high school honors student and a mother of two young children who was an elementary school teacher. What started organically as a neighborhood group of kids wanting to make our world a better place, has grown into an interconnected network of young peace-builders worldwide.

In 2011, Kids for Peace was asked by an elementary school to help create a more positive, unified and respectful school environment. As a result, The Great Kindness Challenge was designed and then piloted in 2012 at three Carlsbad, California schools. Because of its innovative approach and wildly successful results, word spread and in 2019, 13,166,854 students in 24,027 schools participated and performed over 650 million acts of kindness.

At the heart of The Great Kindness Challenge is the simple belief that kindness is strength. We also believe that any action that's repeated over and over becomes a habit. With The Great Kindness Challenge checklist in hand, students have the opportunity to repeat kind act after kind act after kind act. As kindness becomes a habit, the culture is shifted and peace becomes possible.

This is a grassroots movement to make our schools, communities and world a kinder and more compassionate place for all. We are grateful to you for helping implement The Great Kindness Challenge at your school. We invite you to encourage other schools to also take the challenge. Through word of mouth, The Great Kindness Challenge will continue to grow and cultures of kindness will thrive on campuses across the globe. Working together, we will indeed prove that KINDNESS MATTERS!
