

AB2022 Mental Health Services

Mental Health Services Act Pursuant to Education Code Section 49428 as amended by AB-2022 in September, 2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school year on how to initiate access to available pupil mental health services on campus or in the community.

Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the school administrative office. A school counselor and/or school psychologist can also provide information about other options to access mental health services within the community.

To access mental health services within the community, please contact the Butte County Department of Behavioral Health or other mental health agency. Please see the school's website and scroll to the bottom and click on AB2022.
