The Butte County Office of Education is required to notify pupils, parents, and guardians of their rights and responsibilities annually, pursuant to California Education Code (EC) 48980.

Parents or guardians must acknowledge receipt of this notice. Please sign and return the signature page to the school as required by EC 48982.
Dear Students, Parents and Guardians,

State law requires the Butte County Office of Education (BCOE) to provide annual notification to students, parents and guardians of their rights and responsibilities pertaining to their child’s education. Please read this Annual Notification. The parent or guardian is required to acknowledge their receipt of this notice by signing and returning the signature page to their child’s school. The parent’s or guardian’s signature is an acknowledgment that they have been informed of their rights and does not indicate the parent’s or guardian’s consent for their child to participate or not participate in any particular program listed within the Annual Notification.

Some legislation requires additional notification to the parents or guardians during the school term prior to a specific activity. Separate letters are available to parents or guardians in the school site handbook regarding any of these specified activities or classes. The student will be excused whenever the parents or guardians file with the principal of the school a statement in writing requesting that their child not participate. Other legislation grants certain rights that are detailed in this Annual Notification.

The Butte County Office of Education recognizes that parent or guardian involvement in their child’s education promotes student achievement and contributes greatly to the student’s success. This Annual Notification contains information on the various ways parental involvement is encouraged in accordance with federal and state laws, as well as BCOE Superintendent’s Policy. The Butte County Office of Education commits to providing a quality education to all of its students in a safe and healthy environment. We look forward to a successful and positive school year, made possible by the dedicated efforts of its administrators, teachers, paraeducators, support staff, students, and parents and guardians.

Please read this Annual Notification carefully and return the signed forms to your student’s school as soon as possible.

Sincerely,

Michelle Zevely, Associate Superintendent
Butte County Office of Education

RULES AND PROCEDURES ON SCHOOL DISCIPLINE-EC 35291

A. All Students

1. Suspension-EC 48900

A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent or principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r) inclusive:

a. (1) Caused, attempted to cause or threatened to cause physical injury to another person; (2) Willfully used force or violence upon the person of another, except in self-defense.
b. Possessed, sold or otherwise furnished a firearm, knife, explosive or other dangerous object, unless in the case of possession of an object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or designee of the principal.
c. Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind.
d. Unlawfully offered, arranged, or negotiated to sell a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and either sold, delivered, or otherwise furnished to a person another liquid, substance, or material and represented the liquid, substance or material as a controlled substance, alcoholic beverage or intoxicant.
e. Committed or attempted to commit robbery or extortion.
f. Caused or attempted to cause damage to school property or private property.
g. Stole or attempted to steal school property or private property.
h. Possessed or used tobacco, or products containing tobacco or nicotine products, including but not limited to, cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products.
i. Committed an obscene act or engaged in habitual profanity or vulgarity.
j. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell drug paraphernalia, as defined in Section 11014.5 of the Health and Safety Code.

(2) Except as provided in Section 48910, a pupil enrolled in kindergarten or any of grades 1 to 8, inclusive, shall not be suspended for any of the acts
enumerated in this subdivision, and this subdivision shall not constitute grounds for a pupil enrolled in kindergarten or any of grades 1 to 12, inclusive, to be recommended for expulsion.

l. Knowingly received stolen school property or private property.

m. Possessed an imitation firearm. As used in this section “imitation firearm” means a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

n. Committed or attempted to commit sexual assault as defined in Section 261, 266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code.

p. Unlawfully offered, arranged to sell, negotiated to sell or sold the prescription drug Soma.

q. Engaged in, or attempted to engage in hazing. For purposes of this subdivision, “hazing” is any method of initiation or pre-initiation into a pupil organization or body, whether or not the organization or body is officially recognized by an educational institution, which is likely to cause serious bodily injury or personal degradation or disgrace resulting in physical or mental harm to a former, current or prospective pupil. For purposes of this subdivision, “hazing” does not include athletic events or school-sanctioned events.

r. Engaged in an act of bullying. For purposes of this subdivision, the following terms have the following meanings:

i. “Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing a reasonable pupil or pupils in fear of harm to that pupil’s or those pupils’ person or property.
2. Causing a reasonable pupil to experience substantially detrimental effect on his or her physical or mental health.
3. Causing a reasonable pupil to experience substantial interference with his or her academic performance.
4. Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

ii. (A) “Electronic act” means the creation or transmission originated on or off the school site, by means of an electronic device, including, but
not limited to, a telephone, wireless telephone or other wireless communication device, computer, pager, of a communication including, but not limited to, any of the following:
1. A message, text, sound, video, or image.
2. 3. An act of cyber sexual bullying. For purposes of this clause, “cyber sexual bullying” means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (1)-(4), inclusive of paragraph (i). A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording, or other electronic act. For purposes of this clause, “cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned events.

(B) Notwithstanding paragraph (i) and subparagraph (A), an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

iii. “Reasonable pupil” means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.

s. A pupil shall not be suspended or expelled for any of the acts enumerated in this section, unless that act is related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent or
principal or occurring within any other school district. A pupil may be suspended or expelled for the acts that are enumerated in this section and related to school activity or attendance that occur at any time, including but not limited to, any of the following:

i. While on school grounds;

ii. While going to or coming from school;

iii. During the lunch period whether on or off the campus;

iv. During, or while going to or coming from, a school sponsored activity.

t. A pupil who aides or abets, as defined in Section 31 of the Penal Code, the infliction or attempted infliction of physical injury to another person may be subject to suspension, but not expulsion, pursuant to this section, except that a pupil who has been adjudged by a juvenile court to have committed, as an aider and abettor, a crime of physical violence in which the victim suffered great bodily injury or serious bodily injury shall be subject to discipline pursuant to subdivision (a).

u. As used in this section, “school property” includes, but is not limited to electronic files and databases.

v. For a pupil subject to discipline under this section, a superintendent may use his or her discretion to provide alternatives to suspension or expulsion that are age appropriate and designed to address and correct the pupil’s misbehavior as specified in Section 48900.5.

w. It is the intent of the Legislature that alternatives to suspension or expulsion be imposed against a pupil who is truant, tardy, or otherwise absent from school activities as specified in Sections 48900.2, 48900.3, 48900.4, 48900.7.

2. Expulsion

A student may be recommended for expulsion for any of the reasons enumerated in Education Code section 48915, and pursuant to the expulsion procedures identified in Education Code sections 48918 and 48918.5.

B. Attendance of Suspended Child’s Parent or Guardian for Portion of School Day-EC 48900.1

Pursuant to board policy, a teacher may require a parent or guardian of a pupil who has been suspended by a teacher pursuant to Section 48910 for either committing an obscene act, engaging in habitual profanity or vulgarity or disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties, to attend a portion of a school day in the classroom of his or her child or ward.

C. Sexual Harassment Policy-EC 231.5, 48900.2

The Butte County Office of Education (BCOE) will not tolerate sexual harassment by anyone participating in any county office program or activity. This includes student-to-
student or peer sexual harassment as well as harassment between a student and any BCOE participant. The BCOE takes all complaints of sexual harassment seriously, investigates and addresses identified sexual harassment, and if the investigation results in the determination that sexual harassment has occurred, takes reasonable, immediate corrective action to stop the harassment, eliminate a hostile environment, and prevent future sexual harassment. Alleged pupil sexual harassment in violation of Superintendent Policy or federal or state law will be handled pursuant to Superintendent Policy and Administrative Regulation which can be found online at https://www.bcoe.org/o/bcoe/page/policies-procedures--9. A pupil in grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined below.

California Education Code section 212.5 defines sexual harassment as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:

a) Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, or progress.
b) Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.
c) The conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
d) Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

D. Hate Violence-EC 48900.3

A pupil in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, or threatened to cause, or participated in an act of, hate violence, as defined in EC 233(e).

E. Harassment, Intimidation or Threats-EC 48900.4

A pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment.
F. Terroristic Threats Against School Officials, School Property or Both-EC 48900.7

A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both. A “terroristic threat” includes any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars ($1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family’s safety, or for the protection of BCOE or school program property, or the personal property of the person threatened or his or her immediate family.

G. Suspension/Expulsion: Alternative and Other Means of Correction-EC 48900, 48900.5, 48911

Generally, suspension shall be imposed only when other means of correction fail to bring about proper conduct. The BCOE may document other means of correction short of suspension and expulsion and place the documentation in the pupil’s record. Other means of correction may include: a conference between school personnel, the pupil’s parent or guardian and the pupil; referrals to the school counselor or psychologist; study teams, guidance teams or other intervention-related teams that assess behavior and develop and implement behavior plans; referral for psycho-educational assessment; after-school programs that address specific behavioral issues; and community service on school grounds during non-school hours. A pupil may be suspended, for any of the reasons enumerated in Section 48900 upon a first offense, if the principal or superintendent of schools determines that the pupil violated subdivision (a), (b), (c), (d), or (e) of Section 48900 or that the pupil’s presence causes a danger to persons. A suspension shall be preceded by an informal conference between the principal, the principal’s designee or the superintendent of schools and the pupil, and whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At this conference, the pupil shall be informed of the reason for the disciplinary action and other means of correction that were attempted before the suspension.

RIGHTS AND OPTIONS AVAILABLE TO PREGNANT AND PARENTING PUPILS-EC 46015

A pregnant or parenting pupil is defined as any pupil who gives or expects to give birth, or any parenting pupil who identifies as the parent of an infant. Pregnant and parenting pupils are entitled to at least eight weeks of parental leave, which can be taken before birth of the pupil's infant if there is a medical necessity, or after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The pupil is neither required to take
time off nor notify his or her school that he or she is doing so; this is a guaranteed minimum right that can be expanded if deemed medically necessary. Parental leave will be considered an excused absence, and the pregnant or parenting pupil is not required to complete any academic work during this period.

A pregnant or parenting pupil may return to their previous school and course of study, and is entitled to make up opportunities for any work missed during the leave. These students are allowed to enroll in a fifth year of high school in order to complete any state or local graduation requirements, except when the school finds that the pupil is reasonably able to complete these requirements in time to graduate high school by the end of their fourth year.

A pregnant or parenting pupil who does not wish to reenroll in his or her previous school is entitled to alternative education options offered by the local education agency. If so enrolled, the pupil shall be given educational programs, activities, and courses equal to those he or she would have been in if participating in the regular program. Furthermore, a school may not penalize a student for using any of the accommodations mentioned above.

If a student believes that his or her school is discriminating on the basis of sex in opposition to the rights and entitlements listed above, that student can file a complaint through the standard Uniform Complaint Procedures of California Code of Regulations, Title 5 Sections 4600, et. seq.

CALIFORNIA HEALTHY YOUTH ACT-EC 51934, 51938

Students enrolled in BCOE school programs or activities may receive instruction in personal health and public safety, which may include accident prevention, first aid, fire prevention, conservation of resources, and health education including comprehensive sexual health education and HIV prevention.

BCOE plans to provide comprehensive sexual health education and/or HIV prevention education during each school year once in middle school and once in high school. The instruction shall include, among other things, information about sexual harassment, sexual abuse, and human trafficking. Information on human trafficking shall include both of the following: a) Information on the prevalence, nature, and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance; and b) Information on how social media and mobile device applications are used for human trafficking.

Students will be taught by BCOE personnel. If BCOE schools decide to arrange for an outside consultant to provide comprehensive sexual health education and/or HIV prevention education, the school will provide notice to parents no fewer than 14 days before the instruction is delivered by mail or another form of communication.

A pupil's parent or guardian has the right to request from the BCOE, a copy of the California Healthy Youth Act, Education Code section 51930, et. seq. A pupil's parent or guardian also has the right to inspect and review the written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education. Please contact the school office, if you wish to inspect materials.
A pupil's parent or guardian may submit a written request to excuse the pupil from participation in any class involving comprehensive sexual education or HIV prevention education by submitting their request in writing to the school office.

BCOE schools may administer for pupils in grades 7 to 12 inclusive, anonymous, voluntary, and confidential research and evaluation tools to measure pupils’ health behaviors and risks, including questionnaires, and surveys containing age-appropriate questions about the pupil’s attitudes concerning or practices relating to sex. A parent or guardian may excuse their child from the questionnaire, or survey by opting out of their student’s participation in the questionnaires or surveys. An opt-out form is provided within these notifications in the site handbook. Parents or guardians have a right review the questionnaire, or survey if they wish. Please contact the school office to make arrangements.

The excused pupil shall not be subject to disciplinary action, academic penalty, or other sanction if the pupil's parent or guardian declines to permit the pupil to receive comprehensive sexual health education or HIV prevention education or to participate in anonymous, voluntary, and confidential tests, questionnaires, or surveys on pupil health behaviors and risks.

While comprehensive sexual health education, HIV prevention education, or anonymous, voluntary, and confidential test, questionnaire, or survey on pupil health behaviors and risks is being administered, an alternative educational activity shall be made available to pupils whose parents or guardians have requested that they not receive the instruction or participate in questionnaire, or survey. More information can be found online at https://www.bcoe.org/o/bcoe/page/policies-procedures--9.

**PUPIL SAFETY: HUMAN TRAFFICKING PREVENTION RESOURCES-EC 49381**

The County Office Superintendent or designee will work with schools that maintain any grades 6 to 12, inclusive, to identify the most appropriate methods of informing parents and guardians of pupils in those grades of human trafficking prevention resources and to implement the identified methods in those schools by January 1, 2020.

**PUPIL NUTRITION-EC (IF CHARTER, 47613.5) 49510-49520; 49564-49564.5**

Free or reduced-priced meals are available for pupils in receipt of public assistance. Meal program details are provided at the pupil’s school site. All parents and guardians receive a letter with the application form upon enrollment. To apply for free or reduced-price meals, households must fill out the application and return it to the school. Butte County Juvenile Hall provides meals to all students enrolled at Table Mountain Court School.

**RIGHT TO REFRAIN FROM HARMFUL USE OF ANIMALS-EC 32255-32255.6**

Pupils may choose to refrain from participating in educational projects involving the harmful or destructive use of animals based on moral objections, and may complete an alternative educational project acceptable to the teacher. In order to refrain from participation, a parent or guardian must submit a written note of the objections to participating in an educational project.
involving the harmful or destructive use of animals. An opt-out form is provided within this notice.

IMMUNIZATION AND COMMUNICABLE DISEASES-EC 48216, 49403

The Butte County Office of Education shall follow all laws, rules, and regulations regarding immunizations required for students to enroll. The BCOE shall not admit any student until the student is properly immunized as required by law. If there is good cause to believe a student has been exposed to a disease and his or her proof of immunization does not show proof of immunization against that disease, the BCOE may temporarily exclude the child from school until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease. Homeless students retain the right to enroll without immunization records and must obtain appropriate immunizations once enrolled.

If the parent or guardian files with the governing authority a written statement by a licensed physician to the effect that the physical condition of the child is such, or medical circumstances relating to the child are such, that immunization is not considered safe, indicating the specific nature and probable duration of the medical condition or circumstances, including, but not limited to, family medical history, for which the physician does not recommend immunization, that child shall be exempt from the immunization requirements.

Students who had a medical exemption on file and issued on or before December 31, 2020 will be allowed continued enrollment until they enroll in the next grade span. Grade spans are: (1) birth through preschool, (2) Kindergarten through 6th grade, and (3) 7th through 12th grade.

As of January 1, 2021, the standardized certification form developed by the California Department of Public Health shall be the only documentation of a medical exemption that the BCOE may accept. (Health and Safety Code section 120372(a).)

Effective January 1, 2016: The California Legislature eliminated the exemption from specified immunization requirements based upon personal beliefs. A pupil who, prior to January 1, 2016, submitted a letter or affidavit on file with the BCOE stating beliefs opposed to immunization shall be allowed enrollment to any BCOE school until the pupil enrolls in the next grade span. Grade span means (1) from birth to preschool; (2) Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten; and (3) grades 7 to 12 inclusive.

MEDICATION-EC 49423

Any student who must take prescribed medication at school and who desires assistance of school personnel must submit a written statement of instructions from the physician or physician assistant and a parental request for assistance in administering the medications. Any student may carry and self-administer prescription auto-injectable epinephrine only if the student submits a written statement of instructions from the physician or physician assistant and written parental consent authorizing the self-administration of medication, providing a release for the school nurse or other personnel to consult with the child's health care provider as questions arise, and releasing
the BCOE and personnel from civil liability if the child suffers any adverse reaction as a result of the self-administration of medication.

CONTINUING MEDICATION REGIMEN-EC 49480

The parent or legal guardian of any pupil on a continuing medication regimen for a non-episodic condition shall inform the school nurse or other contact person of the medication being taken, the current dosage, and the name of the supervising physician. With the consent of the parent or legal guardian of the pupil, the school nurse may communicate with the physician and may counsel with the school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

MEDICAL AND HOSPITAL SERVICES FOR PUPILS-EC 49471, 49472

BCOE does not offer medical or hospital services for injuries arising from out of school-related activities

PUPILS WITH TEMPORARY DISABILITIES; INDIVIDUAL INSTRUCTION-EC 48206.3, 48207, 48207.3, 48207.5, 48208

Special individual instruction (as distinct from independent study) is available for students with temporary disabilities that make attendance at school impossible or inadvisable. Parents or guardians should first contact the principal to determine services.

DISABLED PUPILS-SECTION 504 OF THE REHABILITATION ACT OF 1973

Section 504 of the federal Rehabilitation Act of 1973, and the Americans with Disabilities Act (42 USC 12101, et seq.) prohibits discrimination on the basis of disability. Section 504 requires schools identify and evaluate children with disabilities in order to provide them a free, appropriate public education. Individuals with a physical or mental impairment that substantially limits one or more major life activities, including seeing, hearing, walking, breathing, working, performing manual tasks, learning, eating, sleeping, standing, lifting, bending, reading, concentrating, thinking, speaking, are eligible to receive services and aids designed to meet their needs as adequately as the needs of non-disabled students are met.

Any parent suspecting a child has exceptional needs due to a disability may request an assessment for eligibility for special education services. [https://www.bcoe.org/o/bcoe/page/policies-procedures--9](https://www.bcoe.org/o/bcoe/page/policies-procedures--9).

SPECIAL EDUCATION: COMPLAINTS-EC 56500.2

Parents or guardians have a right to file a written complaint with the school if they believe the school is in violation of federal or state law governing the identification or placement of special education students, or similar issues. PHYSICAL EXAMINATION; PARENT REFUSAL TO CONSENT-EC 49451

A parent or guardian may, by written statement filed annually, refuse to consent to the physical examination, including the vision, hearing and scoliosis screening, of his/her child; however, a child may be sent home if, for good reasons, he or she is believed to be suffering from a recognized contagious or infectious disease. Educ. Code 49451. School children are examined for vision, hearing, and curvature of the spine at selected grade levels. An opt-out form is included within this notification.

BCOE conducts applicable non-emergency, physical examinations or screenings during the fall semester or during a Triennial assessment for any student in need who has an Individual Education Plan. Education Code section 49455 requires a pupil’s vision to be appraised by the school nurse or other authorized person during kindergarten or upon first enrollment or entry in a
California school of a pupil at an elementary school, and in grades 2, 5, and 8, unless a pupil’s first entry or enrollment occurs in grade 4 or 7.

**CHILD HEALTH AND DISABILITIES PREVENTION PROGRAM-HSC 124085, 124105**

Before a child enters first grade, his or her parents must obtain a waiver or health screening for the child and complete the provided certificate or sign a waiver. The screening should take place before (within the prior 6 months) or during the kindergarten year. Parents are encouraged to obtain health screening simultaneously with required immunizations. Parents may inquire in the school office about free health screenings for low-income children provided under the Child Health and Disabilities Prevention Program.

**FOSTER YOUTH BILL OF RIGHTS-EC 48853; 48853.5; 49069.5; 51225.1; 51225.2**

“Foster child” means a child who has been removed from his or her home pursuant to Section 309 of the Welfare and Institutions Code ("WIC"), is the subject of a petition filed under Section 300 or 602 of the WIC, or has been removed from his or her home and is the subject of a petition filed under WIC section 300 or 602.

A foster child who is placed in a licensed children's institution or foster family home shall attend programs operated by the local educational agency in which that licensed children’s institution or foster family home is located, unless one of the following applies:

1. The pupil is entitled to remain in his or her school of origin;
2. The pupil has an individualized education program requiring placement in a nonpublic, nonsectarian school or agency, or in another local educational agency.
3. The parent or guardian, or other person holding the right to make educational decisions for the pupil pursuant to Section 361 or 726 of the WIC or Section 56055 ("educational rights holder"), determines that it is in the best interests of the pupil to be placed in another educational program and has submitted a written statement to the local educational agency that he or she has made that determination. This statement shall include a declaration that the parent, guardian, or educational rights holder is aware of all of the following:
   - The pupil has a right to attend a regular public school in the least restrictive environment.
   - The alternate education program is a special education program, if applicable.
   - The decision to unilaterally remove the pupil from the regular public school and to place the pupil in an alternate education program may not be financed by the local educational agency.
(D) Any attempt to seek reimbursement for the alternate education program may be at the expense of the parent, guardian, or educational rights holder.

The parent or guardian, or educational rights holder shall first consider placement in the regular public school before deciding to place the foster child in a juvenile court school, a community school, or another alternative educational setting.

A foster child may still be subject to expulsion under applicable law and Superintendent Policy.

Foster youth are subject to other laws governing the educational placement in a juvenile court school, of a pupil detained in a county juvenile hall, or committed to a county juvenile ranch, camp, forestry camp, or regional facility, notwithstanding the rights contained in this notice.

Foster children living in emergency shelters (as referenced in the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Sec. 11301, et seq.), may receive educational services at the emergency shelter as necessary for short periods of time for either of the following reasons:

1. For health and safety emergencies.
2. To provide temporary, special, and supplementary services to meet the child's unique needs if a decision regarding whether it is in the child's best interests to attend the school of origin cannot be made promptly, it is not practical to transport the child to the school of origin, and the child would otherwise not receive educational services.

The educational services may be provided at the shelter pending a determination by the educational rights holder regarding the educational placement of the child.

All educational and school placement decisions shall be made to ensure that the child is placed in the least restrictive educational programs and has access to academic resources, services, and extracurricular and enrichment activities that are available to all pupils. In all instances, educational and school placement decisions shall be based on the best interests of the child.

The Butte County Office of Education designates Meagan Meloy, Director School Ties and Prevention Services at (530) 879-3781, as the educational liaison for foster children. The role of educational liaison is advisory with respect to placement decisions and determination of school of origin and does not supersede the role of the parent or guardian retaining educational rights, a responsible adult appointed by the court, a surrogate parent or a foster parent exercising their legal rights with respect to the foster child’s education. The educational liaison serves the following roles:

1. Ensures and facilitates proper educational placement, enrollment in school, and checkout from school for foster children;
2. Assists foster children when transferring from one school to another school or from one school district to another school district in ensuring proper transfer of credits, records and grades.
(3) When designated by the Superintendent, notifies a foster child’s attorney and child welfare agency representative(s) of pending disciplinary proceedings and pending manifestation determination proceedings if the foster child is also eligible to receive special education and related services under the IDEA.

At the initial detention or placement by the Juvenile Court, or any subsequent change in placement of a foster child by the Court, the local educational agency serving the child shall allow the foster child to continue his or her education in the school of origin for the duration of the jurisdiction of the court. If the jurisdiction of the court is terminated prior to the end of the academic year:

(1) Former foster children in grades kindergarten, or 1 to 8, inclusive, shall be allowed to continue his or her education in the school of origin through the duration of the academic year;

(2) Former foster children in high school shall be allowed to continue his or her education in the school of origin through graduation;

(3) Transportation is not required unless the former foster child has an IEP and the IEP team determines transportation is a necessary related service, required by the unique educational needs of the pupil in order to benefit from their special education program. Transportation may be provided at the local educational agency’s discretion. The rights of foster youth do not supersede any other law governing special education for eligible foster children.

(4) To ensure that the foster child has the benefit of matriculating with his or her peers in accordance with the established feeder patterns of school districts, if the foster child is transitioning between school grade levels, the foster child shall be allowed to continue in the school district of origin in the same attendance area, or, if the foster child is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, to the school designated for matriculation in that school district.

In consultation with the foster child and educational rights holder, the educational liaison may recommend that the foster child waive his or her right to attend the school of origin and enroll in a public school within his or her attendance area. The educational liaison’s recommendation must be accompanied by a written explanation for the basis of the recommendation and how it serves the foster child’s best interests.

(1) If the educational liaison, foster child and educational rights holder agree it is in the best interest of the foster child to waive his or her right to attend the school of origin and attend the recommended school, the foster child shall immediately be enrolled within the recommended school.

(2) The recommended school shall immediately enroll the foster child regardless of any outstanding fees, fines, textbooks or moneys due to any previous schools of attendance
or if the foster child is unable to produce clothing or records normally required for enrollment, such as previous academic records, medical records, including proof of immunization, proof of residency or other documentation.

(3) Within two business days of the foster child's request for enrollment, the educational liaison for the new school shall contact the school last attended by the foster child to obtain all academic and other records. The last school attended by the foster child shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. The educational liaison for the school last attended shall provide a complete copy of the foster child’s education record to the new school within two business days of receiving the request.

If any dispute arises as to the school placement of a pupil under this section, the pupil has the right to remain in his or her school of origin, pending resolution of the dispute.

“School of origin" means the school that the foster child attended when permanently housed or the school in which the foster child was last enrolled. If the school the foster child attended when permanently housed is different from the school in which the foster child was last enrolled, or if there is some other school that the foster child attended with which the foster child is connected and that the foster child attended within the immediately preceding 15 months, the educational liaison, in consultation with, and with the agreement of, the foster child and the educational rights holder, shall determine, in the best interests of the foster child, the school that shall be deemed the school of origin.

If the foster child is absent from school due to a decision to change the placement of the foster child made by a court or placing agency, the grades and credits of the foster child will be calculated as of the date the foster child left school and no lowering of grades will occur as a result of the absence of the foster child under these circumstances. If the foster child is absent from school due to a verified court appearance or related court ordered activity, no lowering of his or her grades will occur as a result of the absence of the pupil under these circumstances.

A foster child or homeless youth who transfers between schools any time after the completion of the pupil’s second year of high school shall be exempt from all coursework and other graduation requirements adopted by the governing board of the local educational agency that are in addition to the statewide coursework requirements, unless the local educational agency makes a finding that the foster child or homeless youth is reasonably able to complete the local educational agency’s graduation requirements in time to graduate from high school by the end of the pupil’s fourth year of high school.

Within 30 days of the foster child’s transfer into a school, the local educational agency should determine whether a foster child or homeless youth is reasonably able to complete the local educational agency’s graduation requirements within the pupil’s fifth year of high school. If the pupil is reasonably able to complete the local educational agency’s graduation requirements within a fifth year of high school, the local educational agency shall do all of the following:
(1) Inform the pupil of his or her option to remain in school for a fifth year to complete the local educational agency’s graduation requirements.

(2) Inform the pupil, and the educational rights holder, about how remaining in school for a fifth year to complete the local educational agency’s graduation requirements will affect the pupil’s ability to gain admission to a postsecondary educational institution.

(3) Provide information to the pupil about transfer opportunities available through the California Community Colleges.

(4) Permit the pupil to stay in school for a fifth year to complete the local educational agency’s graduation requirements upon agreement with the pupil, if the pupil is 18 years of age or older, or, if the pupil is under 18 years of age, upon agreement with the educational rights holder.

If the local educational agency fails to provide timely notice of the exemption, the pupil shall be eligible for the exemption, once notified, even if that notification occurs after the termination of the court’s jurisdiction of the pupil or after the pupil is no longer considered a homeless youth.

If a foster child or homeless youth is exempt from local graduation requirements pursuant to this section and completes the statewide coursework requirements before the end of his or her fourth year of high school and that pupil would otherwise be entitled to remain in attendance at the school, a school or local educational agency shall not require or request that the pupil graduate before the end of his or her fourth year of high school, nor shall the foster child or homeless youth be required to accept the exemption or be denied enrollment in courses for which they are otherwise eligible.

If a foster child or homeless youth is not exempt from local graduation requirements or has previously declined the exemption pursuant to this section, a local educational agency shall exempt the pupil at any time if an exemption is requested by the pupil and the pupil qualifies for the exemption. The exemption shall apply after termination of the court’s jurisdiction or after pupil is no longer considered a homeless youth.

A transfer shall not be requested solely to qualify for an exemption under this section.

The local educational agency shall accept coursework satisfactorily completed by a foster child or homeless youth while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and issue that pupil full or partial credit for the coursework completed.

The local educational agency may not require a foster child or homeless youth to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the local educational agency may not require the pupil to retake the portion of the course the pupil completed unless the local educational agency in consultation with the educational rights holder, finds that the pupil is reasonably able to complete the requirements in time to graduate.
from high school. When partial credit is awarded in a particular course, the foster child or homeless youth shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course. The pupil shall not be prevented from taking or retaking a course to meet eligibility requirements for admission to the California State University or University of California.

A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

A complainant not satisfied with the decision of a local educational agency may appeal the decision to the CDE and shall receive a written decision regarding the appeal within 60 days of the CDE’s receipt of the appeal.

If a local educational agency finds merit in a complaint, or the Superintendent finds merit in an appeal, the local educational agency shall provide a remedy to the affected pupil.

**CHILDREN OF MILITARY FAMILIES AND OTHER PROTECTED PUPILS-EC 49701, 51225.1, 51225.2**

A pupil who is a “child of a military family” is defined as school-aged child or children, enrolled in kindergarten through twelfth grade, in the household of an active duty member. “Active duty” means full-time status in the active uniformed service of the United States, including member of the National Guard and Reserve on active duty orders pursuant to 10 U.S.C. sections 1209 and 1211.

Children of military families who transfer between schools any time after the completion of the pupil’s second year of high school shall be exempt from all coursework and other graduation requirements adopted by the governing board of the local educational agency that are in addition to the statewide coursework requirements, unless the local educational agency makes a finding that the child of a military family is reasonably able to complete the local educational agency’s graduation requirements in time to graduate from high school by the end of the pupil’s fourth year of high school.

Within 30 days of the child of a military family’s transfer into a school, the local educational agency should determine whether the child of a military family is reasonably able to complete the local educational agency’s graduation requirements within the pupil’s fifth year of high school. If the pupil is reasonably able to complete the local educational agency’s graduation requirements within a fifth year of high school, the local educational agency shall do all of the following:

- **A.** Inform the pupil of his or her option to remain in school for a fifth year to complete the local educational agency’s graduation requirements.

- **B.** Inform the pupil, and the educational rights holder, about how remaining in school for a fifth year to complete the local educational agency’s graduation requirements will affect the pupil’s ability to gain admission to a postsecondary educational institution.
C. Provide information to the pupil about transfer opportunities available through the California Community Colleges.

D. Permit the pupil to stay in school for a fifth year to complete the local educational agency’s graduation requirements upon agreement with the pupil, if the pupil is 18 years of age or older, or, if the pupil is under 18 years of age, upon agreement with the educational rights holder.

Within 30 calendar days of the date that a pupil who is a child of a military family who may qualify for the exemption from local graduation requirements transfers into a school, the BCOE school shall notify the pupil and the pupil’s parent or guardian of the availability of the exemption and whether the pupil qualifies for an exemption.

If the BCOE school fails to provide timely notice, the pupil shall be eligible for the exemption from local graduation requirements, even if that notification occurs after the pupil no longer meets the definition of “a child of a military family.”

If a child of a military family is exempt from local graduation requirements pursuant to this section and completes the statewide coursework requirements before the end of his or her fourth year of high school and that pupil would otherwise be entitled to remain in attendance at the school, a school or local educational agency shall not require or request that the pupil graduate before the end of his or her fourth year of high school, nor shall the child of a military family be required to accept the exemption or be denied enrollment in courses for which they are otherwise eligible.

If a child of a military family is not exempt from local graduation requirements or has previously declined the exemption pursuant to this section, a local educational agency shall exempt the pupil at any time if an exemption is requested by the pupil and the pupil qualifies for the exemption. The exemption shall apply after the pupil no longer meets the definition of “a child of a military family” while he or she is enrolled in school or if the pupil transfers to another school or school district.

The BCOE shall not require, and a parent or guardian shall not request, a child of a military family to transfer schools solely to qualify the pupil for an exemption under this section.

The local educational agency shall accept coursework satisfactorily completed by a pupil who is a child of a military family while attending another public school (including schools operated by the United States Department of Defense), a juvenile court school, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and issue that pupil full or partial credit for the coursework completed.

The local educational agency may not require a child of a military family to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the local educational agency may not require the pupil to retake the portion of the course the pupil completed unless the local educational agency in consultation with the educational rights holder,
finds that the pupil is reasonably able to complete the requirements in time to graduate from high
school. When partial credit is awarded in a particular course, the child of a military family shall
be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and
complete the entire course. The pupil shall not be prevented from taking or retaking a course to
meet eligibility requirements for admission to the California State University or University of
California.

A complaint of noncompliance with the requirements of this section may be filed with the local
educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1
(commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

A complainant not satisfied with the decision of a local educational agency may appeal the
decision to the CDE and shall receive a written decision regarding the appeal within 60 days of
the CDE’s receipt of the appeal.

If a local educational agency finds merit in a complaint, or the Superintendent finds merit in an
appeal, the local educational agency shall provide a remedy to the affected pupil.

The above protections shall also apply to pupils in foster care, pupils who are homeless, former
juvenile court school pupils, migratory children, and pupils participating in a newcomer program,
as defined in Education Code section 51225.2(a).

STATEMENT OF NON-DISCRIMINATION

Discrimination in education programs is prohibited by state and federal law. Education Code section 200, et seq. requires schools to afford all pupils regardless of gender, gender identity, gender expression, sex, race, color, religion, national origin, immigration status, ethnic group identification, mental or physical disability, sexual orientation, or the perception of one or more of such characteristics, equal rights and opportunities in accessing educational programs, activities and facilities. The Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 prohibit discrimination on the basis of disability.

The Butte County Office of Education will take the required steps to assure that the lack of English will not be a barrier to admission and participation in BCOE school programs. This policy applies to all students insofar as participation in programs and activities is concerned, with few exceptions such as contact sports. In accordance with federal law, complaints alleging non-compliance with this policy are investigated through the Uniform Complaint Process.

PUPIL RECORDS; NOTIFICATION OF RIGHTS-20 U.S.C. 1232g; EC 49063, 49068, 49069, 49073

Parents, pupils 18 and over, pupils 14 and over that are both homeless and an unaccompanied youth, and individuals who have completed and signed a Caregiver’s Authorization Affidavit, have rights concerning pupil records under Education Code section 49063. These rights include:

- The right to inspect and review the student's education records within five (5) business days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will forward requests to the Custodian of Records. The Custodian of Records will make arrangements for access and notify the parent or eligible student.
- The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Students have full access to grade level academic subject matter content.

□ Structured English Immersion (SEI) Program: A language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

□ Other Instructional Setting Butte COE Special Education Program (IEP): Students in a special education/special day class setting are taught primarily in English. Some assistance may be provided in the primary language. Students are taught ELD and other core subjects by authorized teachers using district-adopted textbooks and supplemental materials. Instruction is based on ELD and grade-level content standards.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. Public meeting agendas are posted on each school’s website. If interested in a program not listed above, please contact the Director of Curriculum & Instruction at (530) 532-5650 to ask about alternative options.

FAQs: RIGHTS AND OPTIONS AVAILABLE TO PREGNANT/PARENTING PUPILS

Assembly Bill (AB) 2289 states that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children by establishing specified rights. The law is effective as of January 2019.

Can my school treat me differently because of my pregnancy or parental status?
No, Title IX of the United States Code prohibits discrimination based on sex, which includes both pregnancy and parental status.

Can my school prevent me from participating in any educational program or activity?
No, a school may not exclude or deny a pregnant or parenting pupil from any educational program or activity, including class or extracurricular activity, based solely on the pupil’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery. However, a school may require a pupil to obtain a doctor’s note to ensure that they are emotionally and/or physically able to continue participation in the educational program.

Can my school force me to take part in a pregnant minor program?
No, a pregnant or parenting pupil does not have to participate in any alternative educational program because of pregnancy or parental status. A student may voluntarily take part in these programs if they choose.

Am I entitled to any parental leave in preparation or to take care of my newborn child?
Yes, any pregnant or parenting pupil is entitled to a minimum of eight weeks of parental leave, which may be increased under medical necessity. A pupil is not required to complete any class work during this period, and it must be counted as an excused absence by the school.

What if my child is sick?
Taking care of a sick child counts as an excused absence, and the school may not require you to provide a doctor’s note for this kind of absence.

What happens when I return to school?
A pregnant or parenting pupil will return to their normal course of study. The pupil is entitled to opportunities to make up any missed work from parental leave. This includes being able to stay for a fifth year of school to complete graduation requirements. The pupil may also enroll in an alternative educational program provided it is equal to that of their former schoolwork.

Do these rights only apply to pregnant pupils?
No, these rights apply equally to all pregnant and parenting pupils, defined as any student who gives or expects to give birth, or any student who identifies as a parent of an infant. A pupil may file a uniform complaint if their school violates the rules above.
