GENERAL INFORMATION

Welcome
Welcome to the 2021-2022 school year! All staff extend the sincere hope that the school year will be rewarding and successful. The purpose of this handbook is to acquaint you with the information you need to assist your student to be successful at Table Mountain School.

In accordance with the policies of Butte County Office of Education (BCOE), it will be the purpose of our school to provide an environment that will promote a positive climate for learning, effective citizenship, and constructive student conduct. Students on school grounds or in places within the school’s jurisdiction are expected to abide by the rules and regulations that are established to achieve these objectives.

If you have any questions regarding the information contained in this handbook, please feel free to call the school.

School Mission Statement
Build relationships with students to promote social/emotional wellness, academic success and opportunities for positive participation in the community.

Jordan Rodrigues, Transition Specialist .................................................. 532-5688
Nick Struyf, Teacher ........................................................................ 532-5688

Enrollment and Disenrollment

Students will be enrolled within their first three business days of being detained in Juvenile Hall. The Senior Administrative Assistant will meet with the student to gather all necessary information. The student is responsible for giving accurate information to the best of their knowledge to help the process. This information, along with previous records and transcripts, helps to identify any special education services and precise graduation requirements. The classroom teacher relies on all of this data to create a comprehensive program for each individual student.
During new student orientation, students are tested in the areas of reading and math. The curriculum and instruction will be matched to their abilities and intervention provided as appropriate in these areas. The content areas are then selected based on their actual grade level and its requirements, or graduation requirements.

Information is then forwarded to the registrar.

In accordance with BCOE's Local Area Education Plan an Individual Learning Plan (ILP) will be completed within two weeks of enrollment to ensure that the student makes progress toward grade promotion and graduation. The ILP will include a four-year academic plan. TMS Transition staff will develop a transition plan within twenty calendar days of student enrollment.

Handbook Accessibility (print and web)

The Table Mountain School handbook is prominently posted on the school's website. Copies are always available in the lobby of the Butte County Juvenile Hall.

BEHAVIOR

School Rules, Discipline, Student Conduct and Suspension

Student Conduct – SP 5131
The County Superintendent believes that all students have the right to a public education in a positive environment free from disruptions which interfere with teaching and learning activities. In order to promote an atmosphere conducive to learning, it is imperative that the Butte County Office of Education, parents, students, teachers and the administration be cognizant of their responsibilities related to student conduct.

The County Superintendent or designee is responsible for prescribing rules for the behavior and discipline of the schools under its jurisdiction. The County Superintendent holds the certificated personnel responsible for the proper conduct and control of students under their charge within the behavioral guidelines. The Butte County Office of Education shall provide reasonable support to certificated personnel with respect to student conduct and discipline.

Discipline – SP 5144
Some of the following do not apply to Table Mountain School as the campus is located inside Butte County Juvenile Hall, yet notification is still required.

Notice to Parents/Guardians and Students
At the beginning of each school year, the principal or designee shall notify students and parents/guardians, in writing, regarding school rules related to discipline. Transfer students and their parents/guardians shall receive such notice upon enrollment.

Transfer of Suspension and Expulsion Disciplinary Records
The District/COE will forward student records, including suspension and/or expulsion disciplinary records, to other schools that have requested the records and in which the student seeks or intends to enroll. (FERPA, 34 CFR, Parts 99.7 and 99.34(a)(ii).)

Corporal Punishment
Corporal punishment shall not be used as a disciplinary measure against any student.

The use of reasonable and necessary force by an employee to protect one's self or students or to prevent damage to the Butte County Office of Education property shall not be considered corporal punishment for purposes of the policy. Students who do not meet their student responsibilities may be disciplined. TMS instructors reserve the right to make an individual or group decision. Instructional paraprofessionals can recommend discipline to be discussed and approved with a regular classroom instructor.
Discipline Actions
Acceptable discipline techniques include, but are not limited to:

1) Use of positive behavior supports;
2) Warnings and redirection of inappropriate behaviors to appropriate on task behaviors;
3) Teacher-Parent-Student conference;
4) Social emotional learning instruction;
5) Instruction in prosocial behavior or anger management;
6) Use of restorative practices;
7) Referral to counseling;
8) Convening a Student Study Team.

Unacceptable discipline techniques:

1) Making threats, shouting;
2) Personal indignities, ridicule;
3) Revenge or temper explosions;
4) Assigning school tasks as punishment;
5) Reducing pupil’s achievements in task assignments as punishment.

Examples may vary with each individual. The discipline should be directed toward eliciting desired behavioral changes. When disciplining a student, staff will complete the designated discipline form and present it to the appropriate student’s unit. This should be done as soon as possible after disciplining a student. If a student must be removed from school and a discipline form cannot be filled out and submitted immediately, staff should verbally notify the unit of the incident and discipline action taken.

Suspension for Unruly or Disruptive Conduct
The following items are illegal to possess on school campus:

1) Firearms, knives of any kind (including pocket knives), or anything that could be used as a weapon;
2) Alcohol, tobacco, or drugs of any kind (prescription medicine, as well as over-the-counter medication, must be stored in the office). (ED Code 48900 c,h,i);
3) Matches, lighters, firecrackers, or other explosives;
4) Other disruptive, illegal, or dangerous objects.

Suspension
1) Suspension is a consequence for serious misbehavior. Students are excluded from school for a period of 1-5 days. Parents are notified as soon as possible by telephone and will receive written notification. The student may not be on or near any school grounds (within 600 feet in any direction) while he/she is suspended from school. Absence from school due to suspension is unexcused, and class work is made up at the discretion of each teacher.
2) A teacher may suspend any student from his or her class for the day of, and the day following, any of acts enumerated in Ed Code Section 48900.
3) The Superintendent or Principal may use his or her discretion to provide alternatives to suspension or expulsion to address student misconduct pursuant to Ed Code Sections 48900(v) & 48900.5.

Recommendation for Expulsion AR 5144.1
Unless the Principal or Associate Superintendent finds that expulsion is inappropriate due to particular circumstances, or that an alternative means of correction would address the conduct, the Principal, Associate Superintendent or designee shall recommend a student’s expulsion for any of the following acts:

1) Causing serious physical injury to another person, except in self-defense;
2) Possession of any knife as defined in Education Code Section 48915(g), explosive or other dangerous object of no reasonable use to the student;

3) Unlawful possession of any controlled substance, as listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis;

4) Robbery or extortion;

5) Assault or battery, as defined in Penal Code Section 240 and 242, upon any school employee.

**Mandatory Recommendation for Expulsion**

The Principal, Associate Superintendent or designee shall recommend that the County Superintendent expel any student found at school or at a school activity to be:

1) Possessing, as verified by a district employee, or selling or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the Principal or designee's concurrence;

2) Brandishing a knife as defined in Education Code Section 48915(g) at another person;

3) Unlawfully selling a controlled substance listed in Health and Safety Code Section 11053-11058;

4) Committing or attempting to commit a sexual assault or committing a sexual battery as defined in Penal Code Section 261, 266(c), 286, 288(a), or 289, or committed a sexual battery as defined in Penal Code Section 243.4;

5) Possessing an explosive as defined in 18 USC 921.

Upon finding that the student committed any of the above acts, the County Superintendent shall expel the student.

For all other acts and conduct for which a student is subject to discipline under Education Code 48900 through 48900.7 and which are not specifically listed or addressed under Education Code 48915(a) or 48915(c), a student may be recommended for expulsion where other means of correction are not feasible or have repeatedly failed to bring about proper conduct, or where due to the nature of the student's conduct violation, the presence of the student cause a continuing danger to the physical safety of the student or others. [E.C. 48915(b) and (e)]

The school administrator retains the right to amend this handbook for just cause. Parents/guardians will be given prompt notification in the event that changes are made.

**Student Expectation**

All students are expected to:

1) Act in all instances so as not to infringe upon the rights of others or to endanger their own or another’s private property or person.

2) Refrain from physical violence or threat of physical violence on campus.

3) Be considerate in their relationship with students, teachers, and staff.

4) Keep their language, clothing, and gestures respectful and free of profanities and obscenities.

5) Follow all rules and procedures on the school campus where their classroom is located.

6) Keep hands, feet, and objects to themselves. (This includes roughhousing and "playing around".)

7) Follow classroom procedures established by each teacher.

8) Interact appropriately. (This includes no excessive displays of affection.)

**Dress and Grooming – SP5132**

The County Superintendent holds high expectations for students and believes they will present themselves in an orderly manner conducive to the advancement of education. Their appearance is expected to be neat and acceptable to the general society and in keeping with the activity at the particular program. The Butte County Juvenile Hall provides all clothing and footwear for TMS students.
Care of School Materials and Repayment

Table Mountain School provides all necessary materials, textbooks and access to technology for enrolled students. Materials and devices do not leave the secure facility. Destruction of school materials/technology may result in disciplinary action at the school.

Misuse of Materials and Technology

Technology Access SP 6163.4

Users are expected to use technology and the Internet as an educational resource. The County Superintendent intends that technological resources provided by Butte County Office of Education be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of student learning. Before using Butte County Office of Education technological resources, each student, and his/her parent/guardian shall sign and return an Acceptable Use Agreement specifying user obligations and responsibilities. In that agreement, the student and his/her parent/guardian shall agree to not hold Butte County Office of Education or any staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or users’ mistakes or negligence. They shall also agree to indemnify and hold harmless Butte County Office of Education and personnel for any damages or costs incurred.

Student Technology Use Expectations

1) Students shall not access material that is obscene, pornographic, child pornography, “harmful to minors”, or otherwise inappropriate for educational uses.
2) Students shall not use school resources to engage in “hacking” or attempts to otherwise compromise system security.
3) Students shall not engage in any illegal activities on the internet.
4) Students shall only use electronic mail, chat rooms, and other forms of direct electronic communications for school-related purposes.
5) Students shall not download or install any commercial software, shareware, or freeware onto network drives or disks, unless they have permission from the Network Administrator. Nor shall students copy other people’s work or intrude into other people’s files.
6) Students shall not disclose personal information, such as name, school, address, and telephone number outside of the school network.
7) Students shall notify the teacher or BCOE staff member immediately, if by accident, you encounter materials which violate the boundaries of appropriate use.
8) Students shall be held accountable for their actions and for the loss of privileges if the Rules of Appropriate Use are violated.
9) Students shall not engage in any form of cyberbullying, including, but not limited to, cyber sexual bullying, the creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images on the internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person’s electronic account and assuming that person’s identity in order to damage that person’s reputation.

Student Cell Phones and Personal Items

Students enrolled at Table Mountain School are detained in the Butte County Juvenile Hall. As such, they do not possess cell phones or personal items.

Sexual Harassment

The County Superintendent is committed to maintaining an educational environment that is free from harassment. The County Superintendent prohibits sexual harassment of students by other students, employees or other persons, at the school or at school-sponsored or school-related activities. The County Superintendent also prohibits retaliatory behavior or action against persons who complain, testify, assist or otherwise participate in the complaint process established pursuant to this policy and the administrative regulation.
Instruction/Information
The County Superintendent or designee shall ensure that all students receive age-appropriate instruction and information on sexual harassment. Such instruction and information shall include:

1) What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same gender;
2) A clear message that students do not have to endure sexual harassment;
3) Encouragement to report observed instances of sexual harassment, even where the victim of the harassment has not complained;
4) Information about the person(s) to whom a report of sexual harassment should be made.

Complaint Process
Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall, within 24 hours of receiving the complaint, report it to the principal or designee.

Any school employee who observes any incident of sexual harassment involving a student shall report this observation to the principal or designee, whether or not the victim files a complaint.

In any case of sexual harassment involving the principal or any other employee to whom the complaint would ordinarily be made, the employee who receives the student’s report or who observes the incident shall report to the non-discrimination coordinator or the Associate Superintendent.

The principal or designee to whom a complaint of sexual harassment is reported shall immediately investigate the complaint in accordance with administrative regulation. Where the principal or designee finds that sexual harassment occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim. The principal or designee shall also advise the victim of any other remedies that may be available. The principal or designee shall file a report with the County Superintendent or designee and refer the matter to law enforcement authorities, where required.

Disciplinary Measures
Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action, and the entire circumstances of the incident(s) shall be considered.

Notification: The sexual harassment policy shall be displayed in a prominent location near the office and included in the student handbook (Title 5 CA CCR 4622, Ed Code § 231.5).

Local agencies are required to notify students, employees, and parents of their written policy prohibiting sexual harassment pursuant to Education Code sections 231.5, 48980(g), 48985. These policies shall include information as to where to obtain specific procedures for reporting charges of sexual harassment and available remedies.

ACADEMICS

Academic Policies
Regulations Regarding Grades/Evaluation of Student Achievement AR 2151

If a student misses a class without an excuse and does not subsequently turn in homework, take a test, or fulfill another class requirement, which he/she missed, the teacher may lower the student’s grade for nonperformance. Students with excessive unexcused absences (6 absences per semester) may be given a failing grade and not
receive credit for the class(es). Schools which withhold class credit for this reason shall so inform the class and parents/guardians at the beginning of the semester or year.

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student’s parent/guardian or send the parent/guardian a written report. An incomplete is given only when a student’s work is not finished because of illness or other excused absence. If not made up within one week, the incomplete will become an F.

Students in grades 7 through 12 must earn at least a 2.0 or C grade point average in order to participate in extra/co-curricular activities.

Teachers are encouraged to allow for trends in the quality of student work. When a student finishes a grading period doing high quality work which requires skills acquired throughout the grading period, low grades at the beginning of the grading period need not diminish the appropriate evaluation of the student’s achievement. Similarly, high grades at the beginning need not compensate for a downward trend in achievement.

**Academic Integrity**

Table Mountain School expects all students to abide by ethical academic standards. Academic dishonesty—including plagiarism, cheating or copying the work of another, using technology for illicit purposes, or any unauthorized communication between students for the purpose of gaining advantage during an examination—is strictly prohibited. Table Mountain School’s [Academic Integrity Policy](#) covers all school-related tests, quizzes, reports, class assignments, and projects, both in and out of class. The purpose of the policy is to prepare students for the reality created by the technology explosion, for the world of college and beyond, where cheating and plagiarism have dire consequences.

Plagiarism is not the same as cooperation or collaboration. Teachers often expect students to work on assignments collectively. This is okay, as long as those whose work being presented is clearly relaid.

- **Collaboration** is to work together (with permission) in a joint intellectual effort.
- **Plagiarism** is to commit literary theft; to steal and pass off as one’s own ideas or words, and to create the production of another. When you use someone else’s words, you must put quotation marks around them and give the writer or speaker credit by citing the source. Even if you revise or paraphrase the words of someone else, if you use someone else’s ideas you must give the author credit. Some internet users believe that anything available on-line is public domain. Such is not the case. Ideas belong to those who create and articulate them. To use someone else’s words or ideas without giving credit to the originator is stealing.
- **Cheating** includes, but is not limited to, copying or giving an assignment to a student to be copied (unless explicitly permitted by the teacher). Cheating also includes using, supplying, or communicating in any way unauthorized materials, including textbooks, notes, calculators, computers or other unauthorized technology, during an exam or project.
- **Forgery** or **stealing** includes, but is not limited to, gaining unauthorized access to exams or answers to an exam, altering computer or grade-book records, or forging signatures for the purpose of academic advantage.

The determination that a student has engaged in academic dishonesty shall be based on specific evidence provided by the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from others.
Students found to have engaged in academic dishonesty shall be subject to disciplinary as well as academic penalties, as outlined below.

**Core and Elective Courses**

**English (Grade 9)**  
This course nurtures students' understanding and appreciation of literature through the emphasis on reading, analysis and interpretation. Students will read excerpts covering several genres: the short story, non-fiction, poetry, dramatic literature, and the epic. Students practice effective communication skills through discussions and presentations. Students will gain skills necessary for competent writing and reading by focusing on the mechanics of language, vocabulary development and directed reading and writing. They will complete a variety of writing activities, including narrative, expository, persuasive, informational, and descriptive writing that demonstrates research, organization, and drafting strategies.

**English (Grade 10)**  
This course nurtures students' understanding and appreciation of literature through the emphasis on reading, analysis and interpretation. Students will read excerpts covering several genres: the short story, non-fiction, poetry, dramatic literature, and the epic. Students practice effective communication skills through discussions and presentations. Students will gain skills necessary for competent writing and reading by focusing on the mechanics of language, vocabulary development and directed reading and writing. They will complete a variety of writing activities, including narrative, expository, persuasive, informational, and descriptive writing that demonstrates research, organization, and drafting strategies.

**English (Grade 11)**  
This is a core English class for students taking their third year of English in high school. This is an American Literature Course focusing on authors with American backgrounds or authors writing about their perception of America. This course is standards aligned and includes skill development in writing, reading, and language. This course uses contemporary as well as classical writings to understand colloquial language, reasoning and thought.

**English (Grade 12)**  
This is a core English class for students taking their fourth year of English in high school. This is an American Literature Course focusing on authors with American backgrounds or authors writing about their perception of America. This course is standards aligned and includes skill development in writing, reading, and language. This course uses contemporary as well as classical writings to understand colloquial language, reasoning and thought.

**Integrated Mathematics Course I**  
Integrated Mathematics Course I is the first of three mathematics courses required for college entrance. The course content includes: functions, algebra, geometry, statistics, probability, discrete mathematics, measurement, number, logic, and language. The course emphasizes mathematical reasoning, problem solving, and communication through integration of the various strands, connections with other subject areas and real-life applications, use of technology, and exploratory and group activities. The course emphasizes algebra.
Integrated Mathematics Course II
Integrated Mathematics Course II is the second of three mathematics courses required for college entrance. The course content expands upon the mathematical content and techniques of Integrated Mathematics Course I. In addition to further development of the strands with connections and applications, this course emphasizes unifying ideas such as mathematical modeling and argumentation, variation, algorithmic thinking, and multiple representations. The course emphasizes geometry.

Integrated Mathematics Course III
Integrated Math III is the final course in the three-course Integrated Math series. With this course, students further explore quadratic functions and extend learning to polynomial functions. Students extend their understanding of arithmetic and geometric sequences to series, and their knowledge of trigonometric ratios to trigonometric functions. Additionally, students explore distributions of data, confidence intervals, and statistical significance.

Algebra 1 (Grades 8-12)
Algebra 1 is a yearlong comprehensive Algebra course which covers all California State Standards for Algebra with special attention focused on frequently recurring standards found in the California Common Core State Standards. Instructors use a variety of instructional methodologies to introduce and reinforce Algebra concepts including vocabulary review and clarification, warm up exercises, and student practice exercises.

Business Math (Grades 9-12)
Math with Business Applications is a comprehensive course that covers all the skills students need to manage their personal finances and excel at their first job and in everyday life. The course is presented in three-parts that takes students from basic math concepts to sophisticated financial strategies. Part one, Basic Math Skills reviews fundamental math operations, part two, Personal Finance teaches money management skills, and part three, Business Math provides a thorough primer on higher level math applications as they are applied to launching and running a business. California State Standards in Algebra 1 are embedded throughout the course.

Geometry (Grades 9-12)
Geometry is a yearlong comprehensive course which covers all 22 California State Standards for Geometry with special attention focused on concepts and standards addressed in the California Common Core State Standards. Instructors use a variety of instructional methodologies to introduce, teach, and reinforce geometry concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, and use of technology.

World History (Grade 10)
The instructional structure presents a clear and comprehensive coverage of world history. The course is designed to cover important events that have shaped the modern world, from the late 1700s to the present. It encourages active reading and learning for students of all reading levels. It allows students the chance to grasp the California Standards using a variety of activities and resources. It provides understanding and the opportunity for interpretation of all views of important events in history. It is directly aligned with the California Standards framework.

US History (Grade 11)
This course starts with the events that bring forth the enlightened ideals that become the U.S. Constitution and the story of the people who were born and journeyed to live under this evolving contract. It further reviews the tests on the federal government during the expansion of the country and The Civil War. It reviews the actions toward the Native peoples and Immigrants, and the results of industrialization and isolationism. The course continues through two world wars and The Great Depression. It tracks the serious nature of the nuclear age and the cold war, and moves through the current technological revolution and all realities that it created.

Economics (Grade 12)
The course structure presents a comprehensive coverage of basic, economic concepts. It is designed thematically to cover macroeconomic principles and systems and the many current and relevant microeconomic issues. Students will
analyze, interpret and practice with a variety of economic principles throughout the course. This course allows students to understand the California standards using a variety of activities and resources. It is directly aligned with the California Standards Framework.

**Government and Civics (Grade 12)**
This semester long course covering the principles and origins of American Government with concentration on all three branches of government, state, and local governments and differences on other types of governments. The course is based on California State Standards and incorporates various activities and instruction to various student learning styles and abilities.

**Earth Science (Grade 9-12)**
Earth Science is a yearlong course that addresses the California State Standards for grades 9-12. Instructors use a variety of instructional methodologies to introduce, teach, and reinforce earth science concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, hands on labs, and use of technology.

**Life Science (Grade 9-12)**
Life Science is a yearlong course that addresses the California State Standards for grades 9-12. Instructors use a variety of instructional methodologies to introduce, teach and reinforce life science concepts, including, but not limited to, direct instruction, cooperative learning and exploration, guided discovery, vocabulary development, hands on labs and use of technology.

**Fundamentals of Art (Grade 9-12)**
Visual Art is a survey course which emphasizes the development of artistic perceptual skills, visual arts vocabulary, creative expression and communication through original works of art. The historical/cultural role and development of visual arts is also presented. Visual Art integrates lessons in Perception, Creative Expression, Historical and Cultural Heritage, and Evaluation to form a comprehensive approach to art that helps every student – regardless of their learning style – think more creatively, make better decisions, even learn the art of self-discipline.

**Physical Education**
This general physical education course develops skills through some of the following activities: team, individual, dual, recreational sports, or fitness and conditioning activities.

**Elective Subjects**

**Reading Intervention**
This course is designed to provide instruction in basic and developmental reading skills and strategies while emphasizing individual student progress. Course content depends on students’ abilities entering the course and is designed to accelerate student growth in reading ability. Instruction may focus on reading silently or aloud, vocabulary development, comprehension, fluent decoding, reading/writing connections, text-based collaboration, student motivation and self-directed learning.

**Comprehensive English**
This course is designed to build upon the students’ prior knowledge of grammar, vocabulary, word usage, and the mechanics of writing. The course introduces students to various genres of literature through writing exercises often linked to the reading selections. Students learn literary analysis skills. They also learn to write persuasive, critical, and creative multi-paragraph thematic essays and compositions. In upper-level courses, students write essays and learn the techniques of writing research papers.

**English Literature**
This course is designed to offer the student an opportunity to study and reflect upon English literature. Students improve their critical thinking skills as they determine the underlying assumptions and values presented in English literary works. Oral discussion and written composition are integral parts of the course emphasis. The course may
survey representative works of a particular genre or a specific theme or works of a particular era of English literature.

**Composition**
Composition emphasizes expository writing, logical development and statement of thought, and the refinement of basic writing skills. Though the structure of the course may include analyzing literature, its primary purpose is to improve the students’ writing. Students compose papers using the descriptive, narrative, persuasive, or expositive mode.

**Algebra Intervention**
This is a course of basic skills in addition, subtraction, multiplication, and division of whole numbers, as well as fractions and decimals. The course is designed for low achieving students. To effectively assist students, teachers individualize and/or make use of small group instruction. The teaching techniques emphasize the use of manipulatives and other tools, including technological tools in a laboratory setting.

**Computer Literacy**
This introductory course in computers is designed to acquaint the students with techniques for using computers. Students learn key entry skills in order to use simple word processors, mathematical or database applications, and simple graphics programming. When school resources allow, teachers may introduce students to the internet, where they learn about different search engines, email, and the variety of educational resources on the internet.

**World Regional Geography**
This course provides an understanding of the distribution and characteristics of the world’s major cultures and of the dynamics of human migration and cultural diffusion. Topics include basic physical geography, map reading, and studies of various regions of the world. The course emphasizes the traditional and contemporary roles of foreign nations in the growth of American culture.

**Career Education**
These courses are designed to acquaint the students with different types of careers available currently and in the future. Students learn the degree of experience and education necessary for entry level into different careers.

**Child Development & Guidance**
A concentration content area course that expands on the comprehensive core and prepares students to understand children’s physical, mental, emotional and social growth and development as well as provide for their care and guidance. Instruction includes prenatal developments, inherited characteristics, health and safety, guidance and discipline, cultural diversity, and child abuse and neglect. This course provides a solid foundation for any career that involves working with children, including child care and education.

**Life Skills**
These courses are designed for both males and females and choices that will affect their future. They focus on both financial decisions and sociological decisions for young adults. A curriculum series called Choices for Females and Challenges for Males are utilized.

**Health (Grade 9-12)**
Students enrolled in Health will be exposed to many aspects necessary to lead a healthy life. Students will: (1) understand how to enhance and maintain their health and well-being; (2) understand behaviors that prevent disease and speed illness recovery; (3) understand behaviors to reduce risk of becoming involved in potentially dangerous situations; (4) understand how to take a positive, active role in promoting the health of their families; (5) understand how to promote positive health practices within the school and community including how to cultivate positive relationships with their peers; (6) understand the variety of physical, mental, emotional and social changes that occur throughout life; (7) understand and accept individual differences in growth and development; (8) understand their developing sexuality and (9) identify information and products and services that may be helpful or harmful to their health.
Food and Nutrition
This concentration course expands on the comprehensive core and prepares students to understand the scientific principles of nutrition, the relationship of nutrition to health and well-being, and careers related to food and nutrition. Instruction includes nutrition and health, safety and emergencies, food safety and sanitation, meal management, food preparation, food purchasing, food in culture, the science of food and nutrition, food costs and production, and food technology. This course provides a solid background for a wide range of careers including food science, dietetics and nutrition, as well as food service and hospitality.

Keyboarding (Typing)
This instructional program prepares individuals to operate an electronic typewriter or computer keyboard by using the touch system, set tabs and margins, adjust spacing, center text, and format simple letters and reports.

Homework, Make-up Work, Extra Credit

Homework – AR 6154
The Principal and staff at each school shall develop and regularly review a school-site homework plan which includes guidelines for the assignment of homework and describes the responsibilities of students, staff and parents/guardians. The plan shall identify all of the following:

1) For each grade level, the amount of time that students shall be expected to spend on homework;
2) For each grade level, the extent to which homework assignments shall systematically involve participation by parents/guardians;
3) The means by which parents/guardians shall be informed about:
   a. Homework expectations;
   b. How homework relates to the student's grades;
   c. How best to help their student.
4) Techniques that will be taught to help students allocate their time wisely, meet their deadlines and develop good personal study habits;
5) The access that students shall have to obtain:
6) Resource materials from the library media center;
7) Assistance and/or tutoring through telephone help lines and/or after school centers;
8) The means by which teachers shall coordinate assignments so that students do not receive an overload of homework one day and very little the next and;
9) For each grade level, the extent to which homework assignments shall emphasize independent research, reports, special reading and problem-solving activities.

In Table Mountain School, homework is coordinated between the teachers and the students. It is optional and considered for final grades and credits.

Make-up Work
The student is responsible for picking up all assignments missed from any excused time away from school. The teacher will determine timeline for completion of make-up work and for full and/or partial credit.

Extra Credit
Extra credit work will be available to all students who have completed assigned work. The teacher will determine timeline for completion of extra credit work and effect of extra credit work on performance.

Challenging Courses by Examination – SP6155
The County Superintendent recognizes that there is a need to allow high school students to challenge a given course by examination for grade and credit in order to accelerate progress towards graduation and to achieve more
flexibility in the selection of electives. This opportunity will permit a student to enroll in courses best suited to his/her educational objectives.

The examination shall be comprehensive and cover all course objectives. Successful completion of the examination shall be at a level which indicates mastery of the content and/or reasonable chance for success in the next higher course.

**Graduation Requirements**

**High School Graduation Requirements SP 6146.1**

The Butte County Board of Education desires to prepare all students to earn a high school diploma that enables them to take advantage of opportunities for postsecondary education and/or employment.

Students shall be eligible for graduation and participation in commencement ceremony from the Butte County Office of Education who meet one of the following criteria:

1) A high school diploma;
2) A certificate of completion; or
3) A certificate of attendance.

**Graduation Course Requirements:**

Beginning with the 2005-2006 school year, the County Superintendent may grant a high school diploma to Table Mountain School students who, while in grades 9 to 12, inclusive, have completed at least the following number of courses and credits listed on the chart of Standards of Proficiencies in Basic Skills.

Pupils must meet or exceed 10 credits of coursework that meets or exceeds the academic content standards for Algebra I in any of grades 7 to 12. Regardless of when the Algebra I content standards of requirement is met, students must earn 20 credits in mathematics during grades 9–12.

Students who have completed their second year of high school and are off track to graduate, may qualify for a waiver for reduced credits. Eligible students complete the state minimum requirement of 130 credits to graduate and receive their high school diploma. Student records are evaluated at enrollment, and eligible students are notified of their options.

State and Local Assessments

Statewide Testing Notification

California students take several mandated statewide tests. These tests provide parents/guardians, teachers, and educators with information about how well students are learning and becoming college and career ready. The test results may be used for local, state, and federal accountability purposes.

The California Assessment of Student Performance and Progress (CAASPP) tests consist of the following:

- Smarter Balanced Assessment Consortium Assessments
  The Smarter Balanced computer adaptive assessments are aligned with the California State Standards. English language arts/literacy (ELA) and mathematics tests are administered in grades three through eight and grade eleven to measure whether students are on track to college and career readiness. In grade eleven, results from the ELA and mathematics assessments can be used as an indicator of college readiness.

- California Science Tests (CAST)
  The computer-based CAST measures students’ achievement of the California Next Generation Science Standards (CA NGSS) through the application of their knowledge and skills of the Science and Engineering Practices, Disciplinary Core Ideas, and Crosscutting Concepts. The CAST is administered to all students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve).

- California Alternate Assessments (CAAs)
  Only eligible students—students whose individualized education program (IEP) identifies the use of alternate assessments—may participate in the administration of the CAAs. Test examiners administer the computer-based CAAs for ELA, mathematics, and science one-on-one to students. Students in grades three through eight and grade eleven will take the CAA for ELA and mathematics. Test items developed for ELA and mathematics are aligned with the CCSS and are based on the Core Content Connectors.

  Students in grades five and eight and once in high school (i.e., grade ten, eleven, or twelve) will take the CAA for Science. The CAA for Science embedded performance tasks are based on alternate achievement standards derived from the CA NGSS. Students taking the CAA for Science will take three embedded performance tasks.

Pursuant to California Education Code Section 60615, parents/guardians may annually submit to the school a written request to excuse their student from any or all of the CAASPP assessments.

English Language Proficiency Assessments for California

The ELPAC is aligned with the 2012 California English Language Development Standards. It consists of two separate English Language Proficiency (ELP) assessments: one for the initial identification of students as English learners and the other for the annual summative assessment to identify students’ English language proficiency level and to measure their progress in learning English.
Physical Fitness Test

The physical fitness test for students in California schools is the FitnessGram®. The main goal of the test is to help students in starting lifelong habits of regular physical activity. Students in grades five, seven, and nine take the fitness test.

High School Equivalency Test (HiSET)
To take the HiSET exam in California, students must be California residents or a member of the armed forces assigned to duty in California and have not completed high school and meet the following eligibility requirements:

- **Age:** To take the HiSET exam in California, students must meet any one of the following requirements:
  - Students must be 18 years of age or older or within 60 days of their 18th birthday (regardless of school enrollment status).
  - Students must be within 60 days of when you would have graduated from high school had you remained in school and followed the usual course of study. (May not currently be enrolled in school.)
  - Students must be 17 years of age and out of school for at least 60 consecutive days. You must also provide a letter of request from the military, a postsecondary educational institution or a prospective employer.
  - Students must be 17 years of age, have accumulated fewer than 100 units of high school, be confined to a state or county or correctional agency, and meet all of the following criteria:
    - Do not have a realistic chance of completing the requirements for a high school diploma.
    - Do have adequate academic skills to successfully complete the HiSET exam.
    - Understand the options available regarding acquisition of a high school diploma, the high school equivalency certificate, or the high school proficiency certificate and the requirements, expectations, benefits and limitations of each option.
    - Have sufficient time left to complete the entire HiSET exam; however, if released before the test is completed, you may complete testing at an authorized testing center.

Grades and Repeating Classes

Grading
Grades are one of the assessment tools used to report to parents/guardians the student’s progress in all subject areas. Grades are based on standards of performance designated for each grade level. Grades are based on points earned for daily assignments, quizzes, projects and tests. Grades will reflect the following percentages of points:

- 95% to 100% = A
- 90% to 94% = A-
- 87% to 89% = B+
- 83% to 86% = B
- 80% to 82% = B-
- 77% to 79% = C+
- 73% to 76% = C
- 70% to 72% = C-
- 67% to 69% = D+
- 63% to 66% = D
- 60% to 62% = D-
- Below 60% = F

Report Card / IEP Goals Mastery Updates
Report Cards shall provide parent/guardian with tangible evidence of a student’s academic performance. Parent/guardian of students with disabilities shall be provided an IEP Goals Progress Report with the same frequency as general education students.
Pass/Fail Grading
With parental approval, students may elect to earn a “Pass” or “Fail” grade instead of an A-F grade in the following courses:

1) All courses taken in the Alternative Education Program;
2) All courses taken in the Special Education Program;
3) 9-12th grade non-college preparatory courses taken in summer school.

Students who receive a “Pass” grade will acquire the appropriate semester units of credit for the course, and the grade will not be counted in determining class rank or honors. Students who receive a “Fail” grade will not receive credit for taking the course. Students shall be graded Pass/Fail for classes in which they serve as student aides unless predetermined goals and objectives related to specific subject knowledge are on file and have been approved by the Principal or designee.

Repeated Classes
With the approval of the Principal or designee, a student may repeat a course in order to raise his/her grade. The student shall receive credit only for taking the course once.

STUDENT HEALTH AND SUPPORTS

Guidance and Counseling Programs
Academic guidance is provided by the principal to Table Mountain School students. Transition supports are provided by BCOE transition specialists. Counseling services are provided by a therapist employed by Butte County Juvenile Hall for all youth who are detained. Education Related Mental Health Services are provided as indicated in students’ Individualized Education Plans.

Medical and Medication
The Butte County Juvenile Hall has a nurse on site full time to attend to student medical needs and disburse medications. Students are transported by Butte County Juvenile Hall staff if additional medical attention is necessary.

Comprehensive Sexual Health & HIV/AIDS Instruction

Sexual Health Education and HIV Prevention
Each year, schools are required to offer a course of study on Sexual Health at least once in middle school grades 7/8 and at least once in high school grades 9-12. Sexual Health Education instruction content must meet the requirements of Education Code section 51933.

Parents/guardians have the right to be informed, in writing, of comprehensive sexual health education and HIV prevention education and research on student health behaviors planned for the coming year. The written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education are available for inspection. Parents/guardians have a right to request copies of Education Code sections 51930-51939. Comprehensive sexual health education and HIV prevention education may be taught by school district/COE personnel or by outside consultants. The district may provide comprehensive sexual health education and HIV prevention education, to be taught by outside consultants, and may hold an assembly to deliver comprehensive sexual health education or HIV prevention education by guest speakers. The use of outside consultants or guest speakers is within the discretion of the school district.
Parents/guardians have a right to request in writing that your child be excused from all or part of any comprehensive sexual health education, HIV prevention education, or assessments related to that education. If a school receives a written request from the parent or guardian excusing a student from this instruction, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student. This notice does not apply to human reproductive organs which may appear in physiology, biology, zoology, general science, personal hygiene, or health textbooks, adopted pursuant to law. [Note: if arrangements for this instruction are made after the beginning of the school year, notice shall be made by mail or another commonly used method of notification, no fewer than 14 days before the instruction.] (Ed. Code §§ 51930-51939 and 48980.)

Student Surveys, Tests and Questionnaires Regarding Sexual Attitudes and Practices
Anonymous, voluntary, and confidential research and evaluation tools to measure pupils' health behavior and risks, including tests, questionnaires and surveys containing age-appropriate questions about the student's attitudes concerning, or practices related to, sex may be administered to students in grades 7-12. Parents and guardians will be notified in writing that such a test, questionnaire or survey is to be administered and given an opportunity to review the test, questionnaire or survey and be informed that in order to excuse their child, they must state their request in writing. If a school receives a written request from the parent or guardian excusing a student from this activity, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student. (Ed. Code §§ 51938(c) and 51939.)

Suicide Prevention
The Butte County Juvenile Hall is responsible for all aspects of student safety and security. As such, Table Mountain School staff follow the protocols established by the Butte County Juvenile Hall as outlined in the Title 15 California Code of Regulations.

Food Services
Table Mountain School provides only snacks to students. Those snacks meet school nutrition guidelines. The Juvenile Hall provides meals to students. Juvenile Hall addresses the needs of students with special dietary requirements. Table Mountain School includes nutrition education in their health curriculum, and as part of the Food Nutrition class that students are enrolled in to get their Food Handlers certifications.

SAFETY

Data and Student Privacy
The Family Educational Rights and Privacy Act (FERPA)
(20 U.S.C. § 1232g; 34 CFR Part 99)

Rights under FERPA for Butte County Office of Education Schools
The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1) The right to inspect and review the student’s education records within 45 days after the day the Butte County Office of Education (BCOE) receives a request for access.

Parents or eligible students who wish to inspect their student’s or their education records should submit to the school principal, or appropriate school official, a written request that identifies the records they wish
to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the BCOE to amend their student’s or their education record should write the school principal, or appropriate school official, clearly identify the part of the record as requested by the parent or eligible student, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to provide written consent before the school discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate education interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school’s or school district’s annual notification for FERPA rights. A school official is a person employed by BCOE in an administrative, supervisory, academic, or support staff position; a person or company with whom BCOE has contracted including but not limited to attorneys, auditors, information technology systems providers and their staff, emergency communication systems personnel, or outside institutions involved in student learning experiences including but limited to identified systems such as, Google Apps for Education, Microsoft Office 365, Discover Education, Typing Pal, or i-Ready. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the BCOE to comply with requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC  20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students’ education records, without the consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.31 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student.
• To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) – (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))

• To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))

• To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State Educational Agency (SEA) in the parent or eligible student’s State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)

• In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))

• To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))

• To organizations conducting studies for, or on behalf of, the school, in order to:
  a. develop, validate, or administer predictive tests;
  b. administer student aid programs; or
  c. improve instruction, if applicable requirements are met. (§ 99.31(a)(6))

• To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))

• To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))

• To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9))

• To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))

• Information the school has designated as “directory information” if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))

• To an agency caseworker or other representative of a State or local child welfare agency or tribal organization which is authorized to access a student’s case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))
• To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K))

Emergency Procedures

• Butte County Office of Education is committed to providing safe, secure and nurturing environments for students, families and employees. BCOE last revised its Comprehensive Safe School Plan for all BCOE schools/programs in 2018 and is currently in the process of updating this plan by our BCOE Director of Emergency Response and Preparedness. The plan includes the status of its school safety plan, including a description of its elements, in the annual school accountability report card prepared pursuant to Education Code Sections 33126 and 35256.
• Annually, BCOE school staff complete online trainings in required areas.
• At a minimum, all our policies and procedures comply with all state and federal laws related to:
  • Documenting immunizations of new students
  • Requiring proof of tuberculosis screening for staff at time of hire and every four years thereafter
  • Requiring cleared fingerprints at time of hire and receiving subsequent arrest notifications from Department of Justice prior to hire
  • Developing emergency-response procedures
  • Training for staff in emergency response, including appropriate first responder training or its equivalent and prevention strategies regarding contact with blood-borne pathogens
  • Assuring staff are trained and implement mandated child abuse reporting that conforms to current law
  • Training and procedures are in place to assist with the prevention of acts of bullying and cyberbullying including the availability of the California Department of Education online training module to all employees who interact with students or an equivalent
  • The adoption of a suicide prevention policy and training for staff
  • Assuring that school buildings meet Fire Marshall approval and have been evaluated by structural engineers to present no substantial seismic safety hazard to the extent required by the education code for building requirements
  • Establishing the school as a drug, alcohol and tobacco free workplace
  • Maintaining annually reviewed Site Safety Plans
  • Compliance with the Americans with Disabilities Act

Table Mountain School students have their wardrobe provided by Butte County Juvenile Hall. It may be required by Juvenile Hall Staff that tattoos be covered with clothing if found offensive or could possibly incite a response.

Comprehensive School Safety Plan

All BCOE schools have in place a “Comprehensive Safe School Plan” for school safety, which is available for review for community members at the school site. Additionally, all BCOE schools report on the status of the school safety plan, including a description of its key elements in the annual School Accountability Report Card. “School Safety Plans” are to be implemented throughout the year and are to be reviewed by all school site councils by March of each school year.

Parent Volunteers and Visitors

Parent volunteers are not allowed to enter the secure facility. Community volunteers provide some services during school hours, but generally support students after school hours. Butte County Juvenile Hall staff facilitate visits with students/parents/family members evenings and weekends or by special arrangement as needed.
Field Trips and Transportation of Students
School related field trips must be approved by Butte County Juvenile Hall staff. Transportation is provided by Butte County Juvenile Hall staff for all student field trips and events that occur off site.

Procedures for Student Injury
The Butte County Juvenile Hall has a nurse on site full time to attend to student injuries. Students are transported by Butte County Juvenile Hall staff if additional medical attention is necessary.

Annual School Climate Survey
School climate is measured annually at TMS using a research-based survey administered through the Positive Behavior and Interventions and Supports (PBIS) system. The PBIS survey includes both student and staff surveys.

The Student School Climate Survey: Middle/High is an anonymous survey used to identify school climate issues within the school. Parents/guardians of middle/high school students notify the school office in writing, if they opt their student out of the survey.

The Staff School Climate Survey is administered to all staff anonymously, with identifying information limited to job title and location. The staff survey is used to identify school climate issues within our school. Data from both the student and staff survey are collected and analyzed annually to inform decision making regarding improvements in school climate.

ENGAGEMENT

Communication, Conferences and Staff Accessibility
Communication is a key component to a student's success at Table Mountain School. Communication provides parents frequent reports on their student's progress. Communication includes:

- Parent-teacher conferences/meetings
- Academic summary letters upon enrollment, at the end of each grading period, and upon release
- Staff members respond to email and phone messages in a timely manner

Conferences:
A parent/guardian can request a conference with a teacher or administrator by completing the Parent/Guardian Conference Request Form on the school's website or by calling the school's main office.

Staff Accessibility:
Staff can be contacted by calling the main office phone number listed on the school's website.

Parent-Community Engagement Opportunities
Butte County Juvenile Hall staff serve in loco parentis in collaboration with Table Mountain staff to ensure that Table Mountain students receive the academic, behavioral, and social emotional needs of each student.

Table Mountain School staff work in collaboration with Butte County Juvenile Hall staff and the Boys and Girls Club to hold two Open House events annually. Two graduation ceremonies are held in the BCOE Board Room for students in the Camp program and graduations are held as needed in the Butte County Juvenile Hall visiting room for students in the Detention Pod.

The TMS Parent and Family Engagement Plan guides the work of Parent Community Engagement. The plan is reviewed and refined annually to monitor progress (See Appendix 3).
SCHOOL SITE STAFF

Staff Professional Learning

Table Mountain staff participates in regular professional development to ensure high-quality instruction for students at all levels. The school provides professional development through whole-staff meetings, and additional PD opportunities, as requested by staff. The LEA aligns professional development paid from federal funding to LCAP and SPSA goals and action steps designed to support high-risk youth. Staff participates in ongoing opportunities for professional growth, including conferences, workshops and regularly scheduled staff meetings. Staff are strongly committed to building and sustaining a culture of continuous improvement as Professional Learning Communities (PLC) that promote a high level of instructional leadership and professional learning to ensure great teaching for every student.

ATTENDANCE

Pupil Attendance and Absences

Absence Based on Justifiable Personal Reasons

Butte County Juvenile Hall staff acting in loco parentis may excuse students from school for justifiable personal reasons as outlined below. (Ed. Code § 48205).

Education Code Section 48205 – Excused Absences

Notwithstanding Section 48200, and pupil shall be excused from school when the absence is:

1) Due to illness;
2) Due to quarantine under the direction of a county or city health officer;
3) For the purpose of having medical, dental, optometric, or chiropractic services rendered;
4) For the purpose of attending the funeral services of a member of their immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California;
5) For the purpose of jury duty in the manner provided by law;
6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent;
7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil’s absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board;
8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code;
9) For the purpose of spending time with a member of the pupil’s immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district;
10) Participation in religious exercises or to receive moral and religious instruction in accordance with Butte County Office of Education Policy and Administrative Regulations. In such instances, the student shall attend at least the minimum school day. The student shall be excused for this purpose on no more than four days per school month; (Ed Code § 46014)
11) For the purpose of attending the pupil’s naturalization ceremony to become a United States citizen;
   a. A pupil absent from school under this section shall be allowed to complete all assignments and tests
      missed during the absence that can be reasonably provided and, upon satisfactory completion within
      a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a
      pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not
      necessarily identical to, the tests and assignments that the pupil missed during the absence.
   b. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
   c. Absences pursuant to this section are deemed to be absences in computing average daily attendance
      and shall not generate state apportionment payments.
   d. “Immediate family”, as used in this section, has the same meaning as set forth in Section 45194, except
      that references therein to “employee” shall be deemed to be references to “pupil”.

Unexcused Absence
Parents/guardians will be notified in a timely manner if their child is absent from school without permission.
(Education Code § 51101 (a)(4).

Late Arrival and Early Departure Instructions
Table Mountain students are required to attend 240 minutes of instruction daily. An excused absence is indicated
only when students are ill. If a student does not attend 240 minutes and is not ill, an unexcused absence in entered
in the Student Information System.

Truancy
Upon a pupil’s initial classification as truant, parent/guardian will be notified of the following:

1) That the pupil is truant;
2) That the parent or guardian is obligated to compel the attendance of the pupil at school;
3) That the parent or guardian may be guilty of a criminal infraction if the parent or guardian fails to meet
   this obligation;
4) That alternative educational programs are available in the district;
5) That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to
   the pupil’s truancy;
6) That the pupil may be subject to arrest and prosecution;
7) That the pupil may be subject to suspension, restriction, or delay of the pupil’s driving privilege;
8) That it may be recommended that you accompany the pupil to school and attend classes with the pupil for
   one day.

APPENDIX: STATE AND FEDERAL REQUIREMENTS

AB2022 Mental Health Services
Mental Health Services Act Pursuant to Education Code Section 49428 as amended by AB-2022 in September,
2018, schools are required to notify pupils and parents or guardians of pupils no less than twice during the school
year on how to initiate access to available pupil mental health services on campus or in the community.

Any pupil and parent or guardian of a pupil may refer a student for mental health services by contacting the
school administrative office. A school counselor and/or school psychologist can also provide information about
other options to access mental health services within the community.

To access mental health services within the community, please contact the Butte County Department of Behavioral
Health or other mental health agency. Please see the school’s website and scroll to the bottom and click on AB2022.

Site Family Engagement Plan

Title I, Part A School-Level Parent and Family Engagement Policy 2021-22
Table Mountain School

The school is committed to parent and family engagement, with the support of Title I, Part A. While parents and families in the school are diverse in culture, language and needs, they all share a commitment to academic success of their children. Therefore, the school strives to lead our students to success with the full support and involvement of families and the community.

This policy describes the means for carrying out designated Title I, Part A parent and family engagement requirements pursuant to ESSA Section 1116(c).

Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of subsections (c) through (f). ESSA Section 1116(b)(1)

To involve parents in the Title I, Part A programs, the following practices have been established:

- The school will
  - convene an annual meeting to inform parents about the Title I Program.
  - hold parent involvement/education meetings at varying times.
  - involve parents of participating students in an organized, ongoing, and timely way, in the planning, review, and improvement of its Title I programs and parental involvement policy.
  - educate staff members in the value of parent and family member contributions and how to work with them as equal partners.

Communication and Accessibility:

The school distributes information related to school and parent programs, meetings, and other activities to Title I, Part A parents in a format and language that the parents understand (ESSA Section 1116[e][5]).

If requested by parents of Title I, Part A students, the school provides opportunities that allow the parents to participate in decisions relating to the education of their children (ESSA Section 1116[c][4][C]).

The school provides opportunities for the participation of all Title I, Part A parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand (ESSA Section 1116[f]).

The school provides parents of Title I, Part A students with timely information about Title I, Part A programs (ESSA Section 1116[c](4)[A]).

Approved by TMS School Site Council 3/21/2021
California Department of Education
July 2018
Title I, Part A School-Level Parent and Family Engagement Policy 2021-22

Table Mountain School

The school convenes an annual meeting to inform parents about Title I, Part A requirements and about the right of parents to be involved in the Title I, Part A program (ESSA Section 1116[c][1]). Details about the annual meetings:

The school offers a flexible number of meetings for Title I, Part A parents, such as meetings in the morning or evening (ESSA Section 1116[c][2]). Details about the meetings:

Each spring, the SSC will agendaize a topic to discuss a flexible meeting schedule with stakeholders for the following year. In addition, the school will:

- make every effort to schedule meetings at a variety of times to allow parents and family members opportunities to attend.
- provide childcare/transportation, as funding allows, so parents may attend the meeting.
- hold the Title 1 Parent Meeting each fall at a convenient time for parents.
- notify parents in a format, and where practicable, a language they will understand.
- provide timely information in the following ways:
  - school website and social media
  - letters home, including email communication
  - in person meetings and other forms of two way communication
- accommodate a request for a meeting with any staff member or school administrator working with their student.
- provide the opportunity for public comment at regularly scheduled school site council meetings.
- provide an annual LCAP Survey and stakeholder meetings.
- consider the various needs of stakeholders when sending communication or providing trainings, including needs resulting from disability, language and mobility barriers.

Engagement of Parents:

The school involves parents in the development of required Parent and Family Engagement Plan when it:

- provides support for parental involvement activities requested by Title I, Part A parents (ESSA Section 1116[e][14]).
- involves parents of Title I, Part A students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school’s Title I, Part A programs and the Title I, Part A parent involvement policy (ESSA Section 1116[c][3]).
- provides parents of Title I, Part A students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet (ESSA Section 1116[c][4][B]).

The school will engage families in the decision making process in the following ways:

- recruit parents for open council positions by providing
Title I, Part A School-Level Parent and Family Engagement Policy 2021-22

Table Mountain School

- an election process free of potential or perceived barriers that may preclude participation
- training and ongoing support in council membership roles and responsibilities
  - include adequate representation of parents and family members of participating students on advisory councils.
  - elicit feedback from and share out with other advisory councils and stakeholder groups information pertaining to Title I, Part A programs and the Title I, Parent Involvement Policy

The school will provide information on curriculum, assessments and student progress in the following ways:
- in person meetings, including parent-teacher conferences
- parent education trainings/seminars
- written communication, including email
- Aeries Parent/Student Portal
- parent access to online curriculum

Building Capacity:

Per ESSA Section 1116(e)(1-4)), the school:

- coordinates and Integrates the Title I, Part A parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children
- provides Title I, Part A parents with materials and training to help them work with their children to improve their children's achievement.
- provides Title I, Part A parents with assistance in understanding the state's academic content standards, assessments, and how to monitor and improve the achievement of their children.
- engages Title I, Part A parents in meaningful interactions with the school. The Compact supports a partnership among staff, parents, and the community to improve student academic achievement.

Meaningful interactions may include:
- community partnerships
- two-way communication
- remote or virtual access to allow parents/stakeholders to participate from any location
- annual site activities including four Open House events for parents (two for each pod) held in the Fall and Spring of each school year

Assistance may include:
- materials and trainings to address academic and social-emotional needs
Title I, Part A School-Level Parent and Family Engagement Policy 2021-22
Table Mountain School

- once each semester
- include topics, as appropriate, identified by parents/family members
- provide strategies to increase foundational math and literacy skills

Trainings may include:
- research-based curriculum resources in trainings
  - includes academic and/or social-emotional learning
- community partner guest speakers
- community resources (including local Behavioral Health agencies)

Staff Training:

With the assistance of Title I, Part A parents, the school educates staff members in the value of parent contributions, and in how to work with parents as equal partners (ESSA Section 1116[e][3]).

The school may offer:
- Staff trainings and/or train the trainer model for parent and family engagement
- Annual Title I Meeting and other LEA provided parent and family engagement resources
- New staff and continuing education training
- District parent and family engagement coordinator support
- Periodical newsletter and calendar

Please attach the School-Parent Compact to this document.

This policy was adopted by the Table Mountain School Site Council on 3/31/2021 and will be in effect for the period of 2021-2022 School Year.

The school will distribute the policy to all parents of students participating in the Title I, Part A program on, or before: 8/20/2020
Title I, Part A School-Parent Compact

The Table Mountain School, and the parents of the students participating in activities, services and programs funded by Title I, Part A, agree that the School-Parent Compact outlines how the parents, the entire school staff, and the students will share in the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State high academic standards (ESSA Section 1116[d]).

Describe how the school’s responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I, Part A to meet the challenging State academic standards, and the ways in which each parent will be responsible for supporting their children’s learning; and participating, as appropriate, in decisions relating to the education of their children and positive use of extra-curricular time (ESSA Section 1116[d][1]):

Describe School and Parent response here.

Describe how the importance of communication between teachers and parents on an ongoing basis through, at a minimum the following means (ESSA sections 1116[d][2][A-D]):

(A) parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed at the compact relates to the individual child’s achievement;

(B) frequent reports to parents on their children’s progress;
   The school’s transition specialist sends an academic summary letter and contacts parents/guardians by phone to begin student transition planning by the 20th day of school enrollment. Report cards are sent home quarterly and immediately follow each Extended School Year (ESY) session. Official transcripts are available upon request and can be provided within 24 hours.

(C) reasonable access to staff, opportunities to volunteer and participate in their child’s class, and observation of classroom activities; and

(D) ensuring regular two-way, meaningful communication between family members and school staff, and to the extent practicable, in a language that the family members can understand.

Describe School and Parent response here.

This Compact was established by Table Mountain School on May 12, 2021, and will be in effect for the period of July 1, 2021 through June 30, 2022. The school will distribute the Compact annually to all parents and family members of students participating in the Title I, Part A program on, or before: beginning on July 1, 2021 and upon student enrollment throughout the school year.
A) A conference request form is available on the school website. Parents/guardians can request a conference with their student’s teacher, the school’s transition specialist and/or the principal at any time. Parents are made aware of this opportunity upon enrollment by phone and by mail in the welcome packet sent home upon student enrollment.

B) The school’s transition specialist sends an academic summary letter and contacts parents/guardians by phone to begin student transition planning by the 20th day of school enrollment. Report cards are sent home quarterly and immediately follow each Extended School Year (ESY) session. Official transcripts are available upon request and can be provided within 24 hours. Parents/guardians also have access to the Aeries Parent Portal and Edgenuity Parent Portal to access updated class grades for their student.

C) Table Mountain School (TMS) is located in the secure Butte County Juvenile Hall facility, therefore opportunities for parents/guardians to volunteer, observe and participate in their student’s classes is restricted by the Butte County Probation Department. However, parents have unrestricted access to all TMS staff by phone and email.

D) TMS staff works to involve parents/guardians in a variety of ways including: Fall Back To School Night and Annual Title 1 Meeting, Spring Open House, Graduation Ceremonies, Transition Planning, Invitations to School Site Council Meetings, Welcome Packet, in person and virtual conferences. TMS leadership and staff developed a three year Family Engagement Plan with input from the School Site Council to increase outreach and meaningful two-way communication. Translation services are provided by the Butte County Office of Education as needed for documents and conferences.

Acknowledgment of Receipt

Butte County Office of Education
2021-2022 Acknowledgment of Receipt and Review

Dear Parent/Guardian:

The Butte County Office of Education is required to annually notify parents and legal guardians of minor students, their rights and responsibilities in accordance with Education Code section 48980.

Should your student be enrolling in Butte County Schools for the first time, a copy of your student’s school records will be requested from his/her former school. You have a right to receive a copy of the record and a right to challenge the content of the record. If you have any questions, or if you would like to review specific documents mentioned in the notice, please contact the school office.

Please complete the “Acknowledgment of Receipt and Review” form below and return it to your student’s school.

ACKNOWLEDGMENT OF RECEIPT AND REVIEW

Pursuant to Education Code section 48982, the parent/guardian shall sign this notice and return it to the school. Signature on the notice is an acknowledgment by the parent or guardian that he or she has been informed of his or her rights and does not indicate that consent to participate in any particular program or activity has been given or withheld.
